Trademark Assignment

This Trademark Assignment is made as of September 28, 2018 by and between Springer-Verlag GmbH, a limited liability company organized and existing under the laws of Germany, located at Tiergartenstrasse 17, Heidelberg, Germany D-69121 (hereinafter "Assignor"), and Springer Science+Business Media, LLC, a limited liability company organized and existing under the laws of the State of Massachusetts, located at 233 Spring Street, New York, NY 10013 USA, (hereinafter "Assignee").

WHEREAS, Assignor is the owner of the entire right and title in and to the trademark(s) set forth in Exhibit A, including, without limitation, the common law trademark rights inherent in the names and marks (collectively, the "Marks");

WHEREAS, the Marks have been used by Assignee under oral license from Assignor in connection with a series of non-fiction publications and related goods and services (the "Goods");

WHEREAS, all relevant activities with respect to the marks have been performed by Assignee and all costs in relation to the products have been incurred as well as all revenues have been realized by Assignee, from a tax and transfer pricing perspective it should be reasonable that the trademarks are provided free of charge to the Assignor except as set forth herein;

WHEREAS, Assignee desires to acquire the Marks and the goodwill of the business associated therewith; and

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other valuable consideration, the receipt of which is hereby acknowledged, Assignor conveys, transfers, and assigns to Assignee all of its rights, and title in and to the Marks.

Assignor further assigns to Assignee all rights to sue for and receive all damages occurring from past infringing uses of the Marks.

Assignor hereby irrevocably consents to use and registration of the Marks in the U.S. as a trademark, service mark, domain name and the like, on and in connection the Goods, and related goods or services.

Assignor agrees that upon request by Assignee, Assignor shall execute all papers, make all rightful oaths, testify on behalf of Assignee and do all other lawful acts necessary to carry out the intent of this Assignment at Assignee's expense and request, as well as provide such other material, information, or assistance as Assignee may consider necessary.

This Assignment shall be binding on the parties, their successors and/or assigns and all others acting by, through, with, or under their direction, and all those in privity therewith.
