**SECURITY INTEREST GRANT  
INTELLECTUAL PROPERTY**

November 1, 2018

BANDIT INDUSTRIES, INC., a Michigan corporation, BANDIT HOLDING COMPANY, INC., a Michigan corporation, and SMORACY, LLC, a Michigan limited liability company, and (collectively the "Borrowers"), TMM PROPERTIES LIMITED LIABILITY COMPANY, a Michigan limited liability company, BANDIT INDUSTRIES EXPORTS, INC., a Michigan corporation and SMORACY EXPORT, INC., a Michigan corporation (collectively the "Guarantors") (the Borrowers and Guarantors, collectively, the "Grantors"), and FIFTH THIRD BANK, as administrative agent (in such capacity, the "Administrative Agent" and "Grantee") on behalf of the lenders ("Lenders") from time to time a party to the Credit Agreement and the other Secured Parties (as defined in the Credit Agreement), have entered into that certain Credit Agreement and Pledge and Security Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement" and "Security Agreement").

A. Pursuant to the terms of the Security Agreement, the Grantors created in favor of the Administrative Agent a security interest in, and the Administrative Agent has become a secured creditor with respect to, substantially all assets of said Grantor, which includes the Intellectual Property Collateral (as defined below); and

B. The Grantors have adopted, used and is using, and holds all right, title and interest in, various intangible assets, including the Intellectual Property Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Grantors hereby grant to the Administrative Agent has a security interest in all of each said Grantor's right, title and interest in and to the following (the "Intellectual Property Collateral");

(a) the patents and patent applications, including those set forth in Schedule A hereto, and all inventions and improvements described and claimed therein, and all reissues, divisions, continuations, renewals, extensions, and continuations-in-part thereof (the "Patents");

(b) the trademark and service mark registrations and applications set forth in Schedule B hereto (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law), together with the goodwill symbolized thereby (the "Trademarks");

(c) all copyrights, whether registered or unregistered, now owned or hereafter acquired by each such Grantor, including, without limitation, the copyright registrations and applications set forth in Schedule C hereto (the "Copyrights");

(d) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, and, to the extent applicable, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the

world and all other rights of any kind whatsoever of each such Grantor accruing thereunder or pertaining thereto;

(e) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(f) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any of the foregoing.

The Grantors do hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Intellectual Property Collateral are more fully set forth in the Loan Agreement and Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

If the Grantors shall obtain rights to any new patents, trademarks, service marks and/or copyrights, the provisions of this Security Interest Grant Intellectual Property (this "Grant") shall automatically apply thereto. The Grantors shall give prompt notice in writing to the Administrative Agent with respect to any such new patents, trademarks, service marks and/or copyrights. Without limiting Grantors' obligations under this paragraph, the Grantors hereby authorize the Administrative Agent to unilaterally modify this Grant by amending Schedule A, Schedule B and/or Schedule C, as applicable, to include any such new patents, trademarks, service marks and/or copyrights rights of Grantors. Notwithstanding the foregoing, no failure to so modify this Grant or amend any Schedule hereto shall in any way affect, invalidate or detract from the continuing security interest of the Administrative Agent in all Intellectual Property Collateral, whether or not listed on Schedule A, Schedule B or Schedule C.

Delivery of an executed counterpart of a signature page of this Grant by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Grant.

This Grant shall be construed in accordance with and governed by the laws of the State of Ohio applicable to contracts made and to be performed entirely within such State. Whenever possible, each provision of this Grant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Grant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Grant.

Terms defined in the Credit Agreement and Security Agreement and used herein without other definition shall have the respective meanings assigned to them in the Credit Agreement and Security Agreement.

(Signature Page Follows)

IN WITNESS WHEREOF, Grantors have caused this Security Interest Grant Intellectual Property to be duly executed effective as of the date first written above.
