## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of December 18, 2018 (this “Agreement”), by and between LATHAM POOL PRODUCTS, INC., a Delaware corporation (“LPP” and, prior to the consummation of the Acquisition (as defined in the Credit Agreement (as defined below)), the “Borrower”, and in its capacity hereunder, the “Grantor”) and NOMURA CORPORATE FUNDING AMERICAS, LLC, as administrative agent and collateral agent for the Secured Parties (in such capacity, the “Administrative Agent”).

Reference is made to (a) the Credit and Guaranty Agreement, dated as of December 18, 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), by and among Latham Purchaser, Inc., a Delaware corporation (the “Purchaser” and, prior to the consummation of the Acquisition, the “Borrower”), Latham International Manufacturing Corp., a Delaware corporation (“Holdings”), LPP, certain subsidiaries of Holdings from time to time party thereto, the lenders from time to time party thereto (collectively, the “Lenders” and each a “Lender”), Nomura Corporate Funding Americas, LLC, as administrative agent and collateral agent for the Secured Parties and L/C Issuer and the other L/C Issuers party thereto and (b) the Security Agreement, dated as of December 18, 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) among the Purchaser, Holdings, LPP, the Subsidiary Guarantors from time to time party thereto and the Administrative Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. Each Grantor is willing to execute and deliver this Agreement in order to induce the Lenders to make additional Loans and the L/C Issuers to issue additional Letters of Credit and as consideration for Loans previously made and Letters of Credit previously issued. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the “Security Interest”) in all of the Grantor’s right, title and interest in, to and under the United States Trademarks listed on Schedule I attached hereto (the “Trademark Collateral”). This Agreement is not to be construed as an assignment of any Trademark. Notwithstanding anything herein to the contrary, the Trademark Collateral shall not include, and in no event shall the Security Interest attach to, any intent-to-use trademark applications filed in the United States Patent and Trademark Office, pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. Section 1051, prior to the accepted filing of a “Statement of Use” and issuance of a “Certificate of Registration” pursuant to Section 1(d) of the Lanham Act or an accepted filing of an “Amendment to Allege Use” whereby such intent-to-use trademark application is converted to a “use in commerce” application pursuant to Section 1(c) of the Lanham Act.

SECTION 3. Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Termination. Subject to Section 7.12 of the Security Agreement, upon the occurrence of the Termination Date, the security interest granted herein shall terminate and the

Administrative Agent shall execute, acknowledge, and deliver to the Grantor all instruments in writing in recordable form to evidence and release the collateral pledge, grant, lien and security interest in the Trademark Collateral under this Agreement.

SECTION 5. Authorization. The Grantor hereby authorizes and requests that the Commissioner of Patents and Trademarks record this Agreement.

SECTION 6. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

SECTION 7. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

SECTION 8. Conflicts. Notwithstanding anything contrary contained herein, in the event of any conflict or inconsistency between this Agreement and the Credit Agreement, the terms of the Credit Agreement shall govern and control.

*[Remainder of Page Intentionally Left Blank]*

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
