TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment") is made and entered into as of October 16, 2018 by and between 340Beyond, LLC, a Delaware limited liability company with a principal place of business at 320 South Polk Street, Suite 200, Amarillo, TX 79101 ("Assignee") and Maxor Acquisition, Inc., a Delaware corporation ("Assignor").

WHEREAS, Assignor wishes to transfer to Assignee, and Assignee desires to acquire Assignor's entire right, title and interest in and to the trademark set forth on Schedule A, as further described below.

NOW, THEREFORE, in consideration of \$1 and the mutual covenants and agreements set forth below, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the parties hereto agree as follows:

1. **ASSIGNMENT.** Assignor hereby irrevocably and unconditionally grants, conveys, transfers, and assigns to Assignee all of Assignor's right, title and interest in and to the trademark set forth on Schedule A (the "Mark"), together with the goodwill of the business symbolized by and associated with the Mark, including all common law rights and trademark registrations for the Mark, same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made; together with all rights to income, royalties, and license fees deriving from the Mark, all claims for damages by reason of past, present and future infringements of the Mark and the right to sue for and collect such damages, as permitted under the applicable laws for any jurisdiction or country in which such claims may be asserted for the use and benefit of Assignee and its successors, assigns and other legal representatives.

2. **ASSISTANCE.** Assignor agrees to perform, at the expense of Assignee, all acts reasonably necessary to permit and assist Assignee in perfecting and enforcing the full benefits, enjoyment, rights, title and interest throughout the world in the Marks, and the intellectual property rights therein assigned to Assignee hereunder. Such acts may include execution of documents, including any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith, and assisting and cooperating in the registration and enforcement of applicable intellectual property rights or other legal proceedings, as may be reasonably necessary to perfect such benefits, enjoyment, rights, title and interest in Assignee.

3. **NO ROYALTY OBLIGATIONS.** Assignor acknowledges and agrees that Assignee or its successors or assignees shall not owe Assignor any royalties or other monetary obligations with respect to any of the Mark.

4. **GENERAL.**

4.1. **Severability.** If any provision contained in this Assignment shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Assignment, and this Assignment shall be construed as if

such invalid, illegal or unenforceable provision had never been contained herein, unless the invalidity of any such provision substantially deprives either party of the practical benefits intended to be conferred by this Assignment. Notwithstanding the foregoing, (a) any provision of this Assignment held invalid, illegal or unenforceable only in part or degree shall remain in full force and effect to the extent not held invalid or unenforceable, (b) the determination that any provision of this Agreement is invalid, illegal or unenforceable as applied to particular circumstances shall not affect the application of such provision to circumstances other than those as to which it is held invalid, illegal or unenforceable, and (c) in lieu of such invalid, illegal or unenforceable provision, there will be added automatically as a part of this Assignment a legal, valid and enforceable provision as similar in terms to such invalid, illegal or unenforceable provision as may be possible.

4.4. Governing Law.
