TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of December 28, 2018, by and among PROREHAB LOUISVILLE, LLC, a Kentucky limited liability company (the “Grantor”) and OLD NATIONAL BANK, as administrative agent and collateral agent (the “Agent”).

Reference is made to the Guarantee and Collateral Agreement dated as of December 28, 2018 (as amended, supplemented or otherwise modified from time to time, the “Security Agreement”), among the Grantors (as defined therein) and the Agent. The Lenders have agreed to extend credit to Confluent Health, LLC, a Delaware limited liability company (the “Borrower”), subject to the terms and conditions set forth in the Credit Agreement dated as of December 28, 2018 (as amended, supplemented or otherwise modified from time to time (the “Credit Agreement”). The Grantor will directly or indirectly derive substantial benefits from the extension of credit pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, the Grantor, pursuant to the Security Agreement, did and hereby does grant to the Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “Trademark Collateral”):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the USPTO or any similar offices in any State of the United States or any other country or any political subdivision thereof (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of any registration issuing from such intent-to-use trademark applications under applicable federal law), and all extensions or renewals thereof, including those listed on Schedule I (the “Trademarks”);

(b) all goodwill associated with or symbolized by the Trademarks;

(c) any and all claims for damages and injunctive relief for past, present and future infringement, misuse or misappropriation with respect to any of the Trademarks, with the right, but not the obligation to sue for and collect or otherwise recover, such damages; and

(d) all proceeds, income, royalties and other payments now or hereafter due and payable to Grantor with respect to the Trademarks.

SECTION 3. Security Agreement. The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Security Agreement. The Grantors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the

terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Termination. Upon the payment in full of the Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and termination of the Security Agreement, the Agent shall execute, acknowledge, and deliver to the Borrower an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Agreement.

SECTION 5. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts.

SECTION 6. Governing Law. This Agreement shall be construed in accordance with and governed by the law of the Commonwealth of Kentucky.
