TRADEMARKS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that (a) pursuant to the Security Agreement dated as of December 31, 2018 (as amended, modified, extended, restated, replaced, or supplemented from time to time, the "Security Agreement"), by and among the Obligors party thereto (each an "Obligor" and collectively, the "Obligors") and Legacy Texas Bank, as Collateral Agent (the "Collateral Agent") for the holders of the Obligations referenced therein (the "Secured Parties"), the undersigned Obligor has granted a continuing security interest in and continuing lien upon the trademarks, and trademark applications, but excluding any application for registration of a trademark, service mark or other mark filed with the U.S. Patent and Trademark Office on an intent-to-use basis to the extent an assignment thereof would void or invalidate such application, until such time (if any) as a verified statement of use (or the equivalent) for such trademark, service mark or other mark is filed with and accepted by the U.S. Patent and Trademark Office, at which time such trademark, service mark or other mark shall automatically become part of the Collateral and subject to the security interest pledged, shown on Schedule 1 attached hereto (the "Trademarks") to the Collateral Agent for the ratable benefit of the Secured Parties and (b) the undersigned hereby grants to the Collateral Agent, for the ratable benefit of the Secured Parties, a continuing security interest in, and a right to set off against, any and all right, title and interest of such Obligor in and to the Trademarks.

The Obligors and the Collateral Agent, on behalf of the Secured Parties, hereby acknowledge and agree that the security interest in the Trademarks (i) may only be terminated in accordance with the terms of the Security Agreement and (ii) is not to be construed as an assignment of any Trademark.
