## TRADEMARK AND PATENT SECURITY AGREEMENT

THIS TRADEMARK AND PATENT SECURITY AGREEMENT (this "**Agreement**") is made as of December 21, 2018, by PINNACLE BANK ("**Lender**"), a Tennessee banking corporation; and UNIVERSAL ROBOTICS, INC. ("**Debtor**"), a Tennessee corporation.

### RECITALS:

A. Pursuant to those Business Loan Agreements dated January 26, 2018 and September 14, 2016 between Lender and Debtor, Lender has agreed to extend credit, on certain terms and conditions (capitalized terms not otherwise defined herein have the meanings given under the Loan Agreements).

B. Debtor has granted to Lender a security interest in all of its personal property and fixtures pursuant to certain Security Agreements between Borrower and Lender dated as of the date thereof and amended from time to time (the "**Security Agreements**").

C. Debtor wishes to execute this Agreement to supplement the terms of the Security Agreements and to place of record Debtor's grant of a security interest to Lender in Debtor's trademarks registered in the United States.

### AGREEMENT:

NOW THEREFORE, as an inducement to cause Lender to extend credit to Debtor, and for other valuable consideration, the receipt and sufficiency of which are acknowledged, it is agreed as follows:

1. UCC Security Interest in Registered Trademarks and Patents. To secure all obligations of Debtor to Lender however arising, Debtor hereby grants to Lender a security interest in the trademark and patent registrations of record with the United States Trademark and Patent Office (the "**USPTO**") owned by Debtor and described in Schedule A hereto and all goodwill and other Property associated therewith.

2. Recordation. Debtor authorizes Lender to record this Agreement with the USPTO.

3. Other Agreements. This Agreement is executed to supplement and further evidence the security interest granted to Lender under the Security Agreements. The rights and remedies of Lender with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement, the Security Agreements, and the other Loan Documents, and those which are now or hereafter available to Lender as a matter of law or equity. Each right, power and remedy of Lender provided for herein or in the Loan Agreements, the Security Agreements, or any of the other Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy arising under this Agreement.

This Trademark and Patent Security Agreement is dated as of the date first written above.
