Assignor and Assignee may be referred to in this Agreement in the singular as "Party" and collectively as "Parties."

WHEREAS, Assignor is the sole owner of U.S. Registration Nos. identified on Schedule 1 hereto (the "Marks");

WHEREAS, the Parties desire that Assignor assign the Marks to Assignee; and

WHEREAS, the Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's right, title and interest in, to and under the Marks.

NOW, THEREFORE, in consideration of the mutual promises made herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and upon the terms and subject to the conditions set forth herein, the parties hereto hereby agree as follows:

1. Assignor does hereby sell, convey, assign, transfer, and deliver unto Assignee, all its right, title, and interest in, to, and under the Marks, together with the goodwill, if any, of the business associated therewith and which is symbolized thereby, and all other rights secured under the laws of the United States and any other foreign country with respect to the Marks, and Assignee hereby accepts such sale, conveyance, assignment, transfer, and delivery. Assignor further sells, conveys, assigns, transfers, and delivers to Assignee all rights of Assignor to bring an action or seek any other remedy, whether at law or in equity, against any third party for past, present, or future infringement, dilution, tarnishment, blurring, or other misappropriation or unauthorized use of the Marks, including the right to bring an action or seek other remedy for past, present, and future infringement, dilution, tarnishment, blurring, or other misappropriation or unauthorized use, and all rights to recover or collect damages, including attorneys' fees and enhanced damages, profits, and injunctive relief for infringement, dilution, tarnishment, blurring, confusion, unfair competition, or other misappropriation or unauthorized use, and Assignee hereby accepts such sale, conveyance, assignment, transfer, and delivery. Assignor hereby represents that it has full right to convey all right, title, and interest assigned under this Agreement and that Assignor has not executed, and will not execute, any agreement in conflict with this Agreement.

2. Assignor agrees to execute all applications, amended specifications, deeds, or other instruments, and to do all acts necessary or proper, or as otherwise reasonably requested by Assignee, to confirm and assure the rights and obligations provided for in this Agreement, and to protect and secure such sale, conveyance, assignment, transfer, and delivery of all such right, title, and interest in, to, and under said Marks and to vest and confirm in said Assignee, its successors, and its assigns, all such right, title, and interest.

3. Assignor hereby authorizes Assignee to file this Agreement or portions thereof and any other documents relating thereto with the U.S. Patent and Trademarks Office for purposes of

having this Agreement recorded therein and to place sole and exclusive right, title, and interest in and to such Marks in the name of Assignee.

4. This Assignment shall be governed by, and construed in accordance with, the laws of the United States, in respect to trademarks issues, and in all other respects, including as to validity, interpretation, and effect, by the laws of the State of North Carolina, without giving effect to the conflict of laws rules thereof.
