COPYRIGHT, PATENT AND TRADEMARK SECURITY AGREEMENT

This Copyright, Patent and Trademark Security Agreement (the "Agreement"), dated as of January 10, 2019, is made by and between **FRONTLINE ESOLUTIONS, LLC**, a Georgia limited liability company (the "Company") and **CIBC BANK USA**, as lender (the "Lender").

RECITALS

A. Tax Credit Co., LLC, a Delaware limited liability company (the "Borrower"), the Company and the Lender are parties to that certain Loan and Security Agreement (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), dated the same date as of the date hereof, setting forth the terms on which the Lender may now or hereafter extend credit to or for the account of the Borrower and Company.

B. As a condition to extending credit to or for the account of Borrower, the Lender has required the execution and delivery of this Agreement by the Company.

ACCORDINGLY, in consideration of the mutual covenants contained in the Loan Documents and herein, the parties hereby agree as follows:

1. All terms defined in the Recitals hereto or that are not otherwise defined herein shall have the meanings given to them in the Credit Agreement. In addition, the following terms have the meanings set forth below:

"Copyrights" means all of the Company's right, title and interest in and to all copyrightable works and all copyrights of the Company and licenses thereunder, whether presently existing or hereafter arising, including but not limited to the registered copyrights, applications to register copyrights, and unregistered works (if any) listed on Exhibit C.

"Patents" means all of Company's right, title and interest in and to patents or applications for patents, fees or royalties with respect to each, and including without limitation the right to sue for past infringement and damages therefor, and licenses thereunder, all as presently existing or hereafter arising or acquired, including without limitation the patents listed on Exhibit A.

"Security Interest" has the meaning given in Section 2.

"Trademarks" means all of Company's right, title and interest in and to: trademarks, service marks, collective membership marks, registrations and applications for registration for each, and the respective goodwill associated with each, licenses, fees or royalties with respect to each, (iii) the right to sue for past, present and future infringement, dilution and damages therefor, and (iv) licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit B.

2. Security Interest. The Company hereby irrevocably pledges and assigns to, and grants to, Lender a security interest (the "Security Interest") with power of sale to the extent permitted by law, in the Copyrights, in the Patents and in the Trademarks (except as such may be considered Excluded Property, but only until a statement of use or amendment to allege use is filed and accepted by the United States Patent and Trademark Office or any other filing is made or circumstances

otherwise change so that the interests of the Company in such trademarks are no longer on an “intent to use” basis) to secure payment of the obligations under the Credit Agreement. As set forth in the Credit Agreement, the Security Interest is coupled with a security interest in substantially all of the personal property of Company. This Agreement grants only the Security Interest herein described, is not intended to and does not affect any present transfer of title of any trademark registration or application and makes no assignment and grants no right to assign or perform any other action with respect to any intent to use trademark application, unless such action is permitted under 15 U.S.C. § 1060. The Security Interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to Lender pursuant to the Credit Agreement and the Company hereby acknowledge and agree that the rights and remedies of Lender with respect to the Security Interests made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein, including, without limitation, all representations, warranties and covenants with respect to Copyrights, Patents and Trademarks.

3. Termination. This Agreement shall terminate and the Lien on the Security Interests shall be released upon the payment and performance in full of the obligations under the Credit Agreement (other than unasserted contingent indemnification or expense reimbursement obligations) pursuant to the terms of the Credit Agreement. Upon the termination of this Agreement, the Lender shall execute all documents, make all filings, and take all other actions reasonably requested by the Company to evidence and record the release of the Lien on the Copyrights, Patents and Trademarks and Security Interests granted herein.

4. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission shall constitute effective delivery thereof. Electronic records of this executed Agreement maintained by Lender shall be deemed to be originals

5. Governing Law. THIS AGREEMENT SHALL BE A CONTRACT MADE UNDER AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED ENTIRELY WITHIN SUCH STATE. ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT, WHETHER IN TORT, CONTRACT (AT LAW OR IN EQUITY) OR OTHERWISE, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK

[Signature Page Follows]

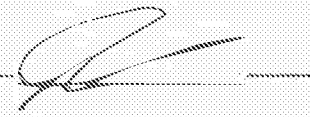

IN WITNESS WHEREOF, the parties have executed this Copyright, Patent and Trademark Security Agreement as of the date written above.
