A Notice of Opposition was filed by Nestle on February 23, 2012 for each of three trademark registrations with the Office for Harmonization in the Internal Market: trade mark numbers 010299766, 010299774, and 010299782. The Company filed a Response to the Opposition for each of the three opposed trade marks on November 12 and 13, 2014. Nestle filed Observations in Reply for each of the three opposed trade marks on January 19 and 20, 2015. On April 30, 2015, the Office for Harmonization upheld the oppositions in part and rejected the oppositions in part. The Company filed an appeal on May 21, 2015; and received information on that date that Nestle had also filed an appeal. These registrations are for use in Germany, and as the Company does not foresee expansion into Germany in its 5-year plan, the trademark's importance to the Company's business and operations is low.
