CONFIRMATORY INTELLECTUAL PROPERTY ASSIGNMENT

This Confirmatory Intellectual Property Assignment ("Assignment Agreement") is made and entered into as of January 9, 2019 (the "Effective Date"), by and among Elimar Holdings LLC, a California limited liability company ("Assignor"), WCG HoldCo IV LLC, a Delaware limited liability company ("Parent"), and WCG Conferences LLC, a Delaware limited liability company and a wholly-owned subsidiary of Parent ("WCG Conferences," and together with Parent, "Assignees," and each "Assignee").

WHEREAS, the Assignor was the owner of the marks set forth on Schedule I hereto (the "Marks"), and the goodwill associated with the Marks, and desired to assign all of Assignor's right, title, and interest in and to the Marks along with the associated goodwill to the Assignees;

WHEREAS, the Assignor and the Assignees entered into a Contribution Agreement, dated December 21, 2018;

WHEREAS, through the Contribution Agreement, Assignor transferred, among other things, all Owned Business Intellectual Property other than Excluded Assets (as defined in the Contribution Agreement), including but not limited to the Marks to Parent;

WHEREAS, through the same Contribution Agreement, Parent subsequently transferred all assumed assets including the Marks to WCG Conferences; and

WHEREAS, the Assignor and Assignees wish to confirm the assignments of the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

I. Assignment:

a. Assignor hereby confirms that it sold, conveyed, transferred, assigned and delivered to Parent, all of Assignor's right, title, and interest in, to, and under the Marks, including all goodwill associated therewith and all rights of action and remedies for past, present, and future infringements of any of the Marks, in each case, free and clear of all liens, the same to be held and fully enjoyed by Assignee, its successors, assigns and other legal representatives.

b. Parent hereby confirms that after acquiring the Marks from Assignor, it sold, conveyed, transferred, assigned and delivered to WCG Conferences, all of its right, title, and interest in, to, and under the Marks, including all goodwill associated therewith and all rights of action and remedies for past, present, and future infringements of any of the Marks, in each case, free and clear of all liens, the same to be held and fully enjoyed by WCG Conferences, its successors, assigns and other legal representatives.

2. Assignor shall execute and deliver any and all instruments and documents and take such further actions as may be necessary or reasonably requested by Assignees to document and record with the appropriate authorities the aforesaid assignment and transfer of the Marks.

3. Assignor and Parent hereby authorizes and requests the Commissioner for Trademarks in the United States Patent and Trademark Office to issue or transfer the Marks to WCG Conferences, as Assignee of the entire right, title, and interest therein or otherwise as WCG Conferences may direct.

4. This Assignment Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

[Signature page follows]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the date first written above.
