TRADEMARK SECURITY AGREEMENT

November 20, 2018

This TRADEMARK SECURITY AGREEMENT, dated as of November 20, 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this "Trademark Security Agreement"), is made by River Light V, L.P. (the "Grantor") in favor of JPMorgan Chase Bank, N.A., as administrative agent (together with its successors in such capacity, the "Administrative Agent") for the Secured Parties (as defined in the Credit Agreement referred to below).

WHEREAS, the Grantor, JPMorgan Chase Bank, N.A. (the "Administrative Agent"), as administrative agent for the banks and other financial institutions or entities (the "Lenders") from time to time parties thereto, and the other parties set forth therein have entered into a Second Amended and Restated Credit Agreement dated as of November 20, 2018 (as it may be amended or modified from time to time, the "Credit Agreement");

WHEREAS, the Grantor and the Administrative Agent have entered into a Pledge and Security Agreement, dated as of November 20, 2018 (as it may be amended or modified from time to time, the "Security Agreement"), to secure the payment and performance of the Obligations (capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Security Agreement or the Credit Agreement, as applicable); and

WHEREAS, the Grantor is entering into this Trademark Security Agreement in order to induce the Lenders to enter into and extend credit to the Borrower under the Credit Agreement and to secure the Obligations;

NOW THEREFORE, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

The Grantor does hereby grant to the Administrative Agent for the benefit of the Secured Parties, as security for the Obligations, a continuing security interest in all of the Grantor's right, title and interest in, to and under the following (all of the following items or types of property being collectively referred to herein as the "Trademark Collateral"), wherever located or situated and whether now owned, presently existing or hereafter acquired or created:

- (a) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto, and all rights to sue for past, present, and future infringements thereof;
- (b) any and all Trademark licensing agreements or similar arrangements in and to such Grantor's Trademark, all income, royalties, damages, claims, and payments now or hereafter due or payable under and with respect thereto, including, without limitation, damages and payments for past, present and future breaches thereof, and all rights to sue for past, present, and future breaches thereof.

Notwithstanding the foregoing, no application for registration of Trademarks filed in the United States Patent and Trademark Office on an intent-to-use basis will be included in the Trademark Collateral until such time as a statement of use has been filed and accepted by the United States Patent and Trademark Office with respect to such Trademark, to the extent that the grant of security interest in any

such Trademark application would adversely affect the validity or enforceability or results in cancellation or voiding of such Trademark application.

The Grantor and the Administrative Agent hereby further acknowledges and affirms that the rights and remedies of the Administrative Agent for the benefit of the Secured Parties, with respect to the security interest made and granted hereby, are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WHOLLY WITHIN THE STATE OF NEW YORK.

In the event of any conflict between this Trademark Security Agreement, on the one hand, and the Security Agreement or Credit Agreement, on the other hand, the Security Agreement or Credit Agreement, as applicable, shall govern.

This Trademark Security Agreement may be executed in any number or counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

[Signature Pages Follow]

IN WITNESS WHEREOF, the Grantor and the Administrative Agent have executed this Trademark Security Agreement as of the date first above written.

GRANTOR:

RIVER LIGHT V, L.P.
