TERMINATION AND RELEASE OF SECURITY INTEREST IN TRADEMARKS

THIS TERMINATION AND RELEASE OF SECURITY INTEREST IN TRADEMARKS, dated as of January 23, 2019 (“Release”), is made by ROYAL BANK OF CANADA, in its capacity as collateral agent for the Secured Parties (the “Agent”) in favor of OHI INTERMEDIATE HOLDINGS, INC. (“Holdings”) and OSMOSE UTILITIES SERVICES, INC. (“Osmose”, together with Holdings, “Grantors” and each a “Grantor”). Capitalized terms used herein and not otherwise defined have the meanings given to them, directly or by reference, in the Trademark Security Agreement (as defined below).

WITNESSETH:

WHEREAS, the Agent and Grantors are parties to a First Lien Pledge and Security Agreement, dated as of August 21, 2015 (as may have been amended, restated, amended and restated, supplemented and/or otherwise modified, the “First Lien Security Agreement”) pursuant to which each Grantor pledged, assigned and granted to the Agent, on behalf of and for the benefit of the Secured Parties, a security interest in certain collateral, including the Released Collateral (as defined below);

WHEREAS, pursuant to the First Lien Security Agreement, the Grantors entered into that certain First Lien Trademark Security Agreement, dated as of August 21, 2015, among the Grantors and the Agent (the “Trademark Security Agreement”), pursuant to which each Grantor, by reference to the First Lien Security Agreement, pledged, assigned and granted to the Agent, on behalf of and for the benefit of the Secured Parties, and to secure the prompt and complete payment and performance of all Secured Obligations, a security interest in, to and under all of the following, whether then owned by or owing to or thereafter acquired by or arising in favor of such Grantor, and regardless of where located: (a) all United States federal and state trademarks (including service marks), trade names, trade dress, and trade styles and the United States federal and state registrations and applications for registration thereof, including those United States federal and state registrations and applications listed on Schedule I hereto, and the goodwill of the business connected with the use of and symbolized by the foregoing; (b) all domain names; (c) Licenses of the foregoing, whether as licensee or licensor; (d) extensions and renewals of the foregoing; (e) income, royalties, damages, and payments then or thereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; (f) rights to sue or otherwise recover for any past, present, and future infringement, dilution or other violation of the foregoing, including the right to settle suits involving claims and demands for royalties owing; (g) other rights corresponding to the foregoing in the United States; and (h) cash and non-cash proceeds of the foregoing (but excluding any United States intent-to-use trademark applications prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration issuing from such intent-to-use trademark application under applicable federal law) (collectively, the “Released Collateral”).

WHEREAS, the Trademark Security Agreement was recorded in the Trademark Division of the United States Patent and Trademark Office on August 25, 2015 at (i) Reel 5608 and Frame 0655 and (ii) Reel 5608 and Frame 0689;

WHEREAS, the Agent and the Grantor now desire the termination and release of the Agent's security interest in the Released Collateral;

NOW, THEREFORE, in consideration of the foregoing, and for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Agent hereby (i) terminates, cancels, releases, and discharges its security interest in, to and under all of the Released Collateral and (ii) reassigns to the Grantors any and all right, title, or interest it may have in, to and under all of the Released Collateral, without representation or warranty of any kind. The Agent agrees to take all further actions, and provide to the Grantors and their respective successors, assigns or other legal representatives, all such other documentation reasonably requested by any Grantor, at the applicable Grantor's sole cost and expense, to more fully and effectively effectuate the purpose of this Release, including as contemplated by the First Lien Security Agreement. This Release shall be governed by and construed in accordance with the laws of the State of New York.
