TRADEMARK ASSIGNMENT AGREEMENT
(NUNC PRO TUNC)

This Trademark assignment agreement is effective as of October 4, 2018 (the “**Effective Date**”) and is between CloudHealth Technologies, Inc., a Delaware corporation, (“**Assignor**”) and VMware, Inc., a Delaware corporation (“**Assignee**”). Each of Assignor and Assignee are referred to herein as a “**Party**” or, collectively, as the “**Parties.**”

Under the Intellectual Property Distribution Agreement, effective as of October 4, 2018 (the “**IP Distribution Agreement**”), Assignor assigned to Assignee all of Assignor’s right, title and interest in all of the Intellectual Property (as defined in the IP Distribution Agreement) owned by Assignor, including, without limitation, the registered trademarks set forth in **Schedule A** (the “**Assignor Trademarks**”) and the entire right, title and interest in and to any and all claims and demands Assignor may have either at law or in equity arising out of past, present or future third party infringement thereof.

In exchange for good and valuable consideration, the receipt of which is hereby acknowledged, as of the Effective Date, Assignor did and does hereby sell and assign unto Assignee all of Assignor’s right, title and interest in the Assignor Trademarks, together with the goodwill of the business connected with and symbolized by the Assignor Trademarks, and including all rights to recover damages for any and all past, current or future infringement thereof. Assignor hereby authorizes and requests the Commissioner of the United States Patent and Trademark Office, the United States Copyright Office and other corresponding entities or agencies in any applicable foreign country, as appropriate, to record Assignee as assignee and owner of the Assignor Trademarks.

In case of any conflict between the terms and conditions of this agreement and the terms and conditions of the IP Distribution Agreement, the terms and conditions of the IP Distribution Agreement shall govern. This agreement may be executed in two or more counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered will be an original, but all of which together will constitute one and the same instrument. Any such counterpart, to the extent delivered by means of electronic or digital delivery such as in Adobe Portable Document Format or using generally recognized e-signature technology (e.g., DocuSign or Adobe Sign) will be treated in all manner and respects as an original executed counterpart and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. This agreement will be governed by and construed in accordance with the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of law.

[Signature page follows]

The Parties have caused this Trademark Assignment Agreement to be effective as of the Effective Date and executed by duly authorized persons as of the last date below.
