1. Assignment. In consideration of the mutual promises herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller hereby irrevocably sells, grants, conveys, transfers, and assigns, or confirms as the case may be, to Buyer, its successors and assigns, and Buyer hereby accepts, all of Seller's rights, title, and interest in the United States and the world, in and to the following (collectively, the "**Assigned Trademarks**"), including, without limitation, all federal, state, foreign, statutory and common law rights, and all trademark, copyright, intellectual property rights and moral rights, in and to the Assigned Trademarks, together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks:

- (a) the trademark set forth on Schedule 1 hereto, whether registered or unregistered;
- (b) the trademark registration set forth on Schedule 1 hereto and all issuances, extensions, and renewals thereof; all registrations and applications for registration of the Assigned Trademarks; the right to apply for any of the foregoing Assigned Trademarks and variations thereof in the United States Patent and Trademark Office and throughout the world, and all rights to issuances, renewals and extensions for any such applications or registrations; and, similar intangible property and related proprietary rights, interests and protections, however arising, pursuant to any such law;
- (c) all rights of any kind whatsoever of Seller accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;
- (d) all licenses and similar contractual rights with respect to any of the foregoing granted by Seller to any third party ("**Licenses**");
- (e) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and
- (f) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief, and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Seller hereby authorizes the Florida Department of State, the Commissioner for Trademarks in the United States Patent and Trademark Office, and corresponding entities or agencies in any applicable jurisdictions worldwide, to record and register this Trademark Assignment upon request by Buyer.
