PATENT, TRADEMARK AND COPYRIGHT SECURITY AGREEMENT

This Patent, Trademark and Copyright Security Agreement (the “**Agreement**”), dated as of February 1, 2019, is entered into by and among **EACH OF THE PERSONS LISTED ON THE SIGNATURE PAGES HERETO AND EACH OF THE OTHER PERSONS WHICH BECOME PLEDGORS HEREUNDER FROM TIME TO TIME** (each a “**Pledgor**” and collectively, the “**Pledgors**”) and **FIFTH THIRD BANK**, as lender (the “**Lender**”).

WHEREAS, pursuant to that certain Credit Agreement (as amended, restated, modified or supplemented from time to time, the “**Credit Agreement**”) of even date herewith by and among **TILE REDI HOLDINGS, LLC**, a Florida limited liability company, **TILE REDI, INC.**, a Florida profit corporation, **TILE REDI, LTD.**, a Florida limited partnership, **TILE REDI MANAGER, INC.**, a Florida profit corporation, **TILE REDI SALES & MARKETING, LLC**, a Florida limited liability company, **TILE REDI SALES, LLC**, a Florida limited liability company, **TILE REDI USA, LLC**, a Florida limited liability company, **REDI DOORS, LLC**, a Florida limited liability company, **TILE REDI EQUIPMENT COMPANY LLC**, a Florida limited liability company, and **TILE REDI, LLC**, a Florida limited liability company (individually and collectively, as the context so requires, on a joint and several basis, the “**Borrower**”) and the Lender, the Lender has agreed to provide certain loans and other financial accommodations to the Borrower, and each Pledgor has agreed, among other things, to grant a security interest to the Lender in certain patents, trademarks, copyrights and other property as security for such loans and other obligations as more fully described herein.

NOW, THEREFORE, intending to be legally bound hereby, the parties hereto agree as follows:

1. Defined Terms.

(a) Except as otherwise expressly provided herein, (i) capitalized terms used in this Agreement shall have the respective meanings assigned to them in the Credit Agreement and (ii) the rules of construction set forth in Section 1.03 of the Credit Agreement shall apply to this Agreement. Where applicable and except as otherwise expressly provided herein, terms used herein (whether or not capitalized) shall have the respective meanings assigned to them in the Uniform Commercial Code as enacted in the State of North Carolina as amended from time to time (the “**Code**”) or, with respect to the PPSA Collateral (as such term is defined in the Security Agreement, the applicable Canadian personal property registration legislation governing the creation, perfection and foreclosure of the Liens created on the PPSA Collateral (the “**PPSA**”).

(b) “**Patents, Trademarks and Copyrights**” shall mean and include all of each Pledgor’s present and future right, title and interest in and to all Intellectual Property (as such term is defined in the Security Agreement), including, without limitation, the following: all trade names, patent applications, patents, trademark applications (excluding any “intent to use” trademark applications for which a statement of use has not been filed with the U.S. Patent and Trademark Office), trademarks and copyrights, whether now owned or hereafter acquired by any Pledgor, including, without limitation, those listed on Schedule A hereto, including all proceeds thereof (such as, by way of example, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, and the goodwill of the business to which any of the patents, trademarks and copyrights relate.

(c) “**Secured Obligations**” shall mean and include the Obligations, as defined in the Credit Agreement.

2. To secure the full payment and performance of all Secured Obligations, each Pledgor grants and conveys a security interest to the Lender and its affiliates, in the entire right, title and interest of such Pledgor in and to all of its Patents, Trademarks and Copyrights. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Lender pursuant to that certain Security Agreement, dated as of even date, among the Borrower and the Lender (the “**Security Agreement**”). Pledgor hereby acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Patents, Trademarks and Copyrights made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

3. Each Pledgor jointly and severally represents and warrants, and covenants that:

(a) the Patents, Trademarks and Copyrights are subsisting and have not been adjudged invalid or unenforceable, in whole or in part;

(b) to such Pledgor’s knowledge, each of the Patents, Trademarks and Copyrights that is material to the Pledgor’s business is valid and enforceable;

(c) to such Pledgor’s knowledge, such Pledgor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents, Trademarks and Copyrights that is material to the Pledgor’s business, free and clear of any liens, charges and encumbrances, except for Liens permitted to exist under the Credit Agreement and non-exclusive licenses granted in the ordinary course of business, including pledges, assignments, shop rights and covenants by such Pledgor not to sue third persons;

(d) such Pledgor has the corporate, limited liability company or partnership power and authority, as applicable, to enter into this Agreement and perform its terms;

(e) no claim has been made in writing to such Pledgor or, to the knowledge of such Pledgor, any other person that the use of any of the Patents, Trademarks and Copyrights does or may violate the rights of any third party;

(f) such Pledgor has used, and will continue to use for the duration of this Agreement, consistent standards of quality in its manufacture of products sold under the Patents, Trademarks and Copyrights; and

(g) such Pledgor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Patents, Trademarks and Copyrights, except for those Patents, Trademarks and Copyrights that are hereafter allowed to lapse in accordance with Paragraph 10 hereof.

4. Each of the obligations and additional liabilities of each and every Pledgor under this Agreement are joint and several with the obligations of the other Pledgors, and each Pledgor hereby waives to the fullest extent permitted by Law any defense it may otherwise have to the payment and performance of the Obligations that its liability hereunder is limited and not joint and several. Each Pledgor acknowledges and agrees that the foregoing waiver serves as a material inducement to the

agreement of the Lender to make the Loans, and that the Lender is relying on such waiver in entering into this Agreement. The undertakings of each Pledgor hereunder secure the obligations of the Borrower, itself and the other Pledgors. The Lender may, in its sole discretion, elect to enforce this Agreement against any Pledgor without any duty or responsibility to pursue any other Pledgor and such an election by the Lender shall not be a defense to any action the Lender may elect to take against any Pledgor. The Lender hereby reserves all rights against each Pledgor.

5. Each Pledgor agrees that, until repayment in full of all of the Secured Obligations, it will not enter into any agreement (for example, a license agreement) which is inconsistent with such Pledgor's obligations under this Agreement or the Credit Agreement, without the Lender's prior written consent which shall not be unreasonably withheld, except such Pledgor may license the Patents, Trademarks and Copyrights and technology (i) in the ordinary course of business without the Lender's consent to suppliers and customers to facilitate the manufacture and use of such Pledgor's products and (ii) in the event any such Patents, Trademarks and Copyrights or technology is no longer used or useful in the business of the Pledgors and upon not less than 15 days' prior written notice to the Lender, in connection with the resolution of any third party claim relating to any of the Patents, Trademarks and Copyrights.

6. If, before repayment in full of all of the Secured Obligations, any Pledgor shall own any new trademarks or any new copyrightable or patentable inventions, or any patent application or patent for any reissue, division, continuation, renewal, extension, or continuation in part of any Patent, Trademark or Copyright or any improvement on any Patent, Trademark or Copyright, the provisions of this Agreement shall automatically apply thereto and such Pledgor shall give to the Lender prompt (and in no event greater than 10 Business Days thereafter) notice thereof in writing. Each Pledgor and the Lender agree to modify this Agreement by amending Schedule A to include any future patents, patent applications, trademark applications, trademarks, copyrights or copyright applications and the provisions of this Agreement shall apply thereto.

7. If any Event of Default shall have occurred and be continuing, each Pledgor hereby authorizes and empowers the Lender to make, constitute and appoint any officer or agent of the Lender, as the Lender may select in its exclusive discretion, as such Pledgor's true and lawful attorney-in-fact, with the power to endorse such Pledgor's name on all applications, documents, papers and instruments necessary for the Lender to use the Patents, Trademarks and Copyrights, or to grant or issue, on commercially reasonable terms, any exclusive or nonexclusive license under the Patents, Trademarks and Copyrights to any third person, or necessary for the Lender to assign, pledge, convey or otherwise transfer title in or dispose, on commercially reasonable terms, of the Patents, Trademarks and Copyrights to any third Person. Each Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney, being coupled with an interest, shall be irrevocable for the life of this Agreement.

8. Upon repayment in full of all of the Secured Obligations, this Agreement shall terminate and the Lender shall execute and deliver to each Pledgor all deeds, assignments and other instruments as may be necessary or proper to re-vest in such Pledgor full title to the Patents, Trademarks and Copyrights, subject to any disposition thereof which may have been made by the Lender pursuant hereto.

9. Any and all fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and expenses incurred by the Lender in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or

discharge of any taxes, counsel fees, maintenance fees, encumbrances, the protection, maintenance or preservation of the Patents, Trademarks and Copyrights, or the defense or prosecution of any actions or proceedings arising out of or related to the Patents, Trademarks and Copyrights, shall be borne and paid by the Pledgors in accordance with the terms of the Credit Agreement.

10. Except as otherwise determined in the reasonable business judgment by any Pledgor, each Pledgor shall have the duty to take reasonable steps to prosecute diligently any patent applications of the Patents, Trademarks and Copyrights pending as of the date of this Agreement or thereafter that are material to the business of such Pledgor until repayment in full of the Secured Obligations, and to preserve and maintain all rights in patent applications and patents of the Patents, including the payment of all maintenance fees, except as determined in the reasonable business judgment of any Pledgor and as permitted under the Credit Agreement. Any expenses incurred in connection with such an application shall be borne by the Pledgors.

11. Each Pledgor shall have the right to bring suit, action or other proceeding in its own name, and, with the consent of the Lender, which shall not be unreasonably withheld, to join the Lender, if necessary, as a party to such suit so long as the Lender is satisfied that such joinder will not subject it to any risk of liability, to enforce the Patents, Trademarks and Copyrights and any licenses thereunder. Each Pledgor shall promptly, upon demand, reimburse and indemnify the Lender for all damages, costs and expenses, including reasonable legal fees, incurred by the Lender as a result of such suit or joinder by such Pledgor.

12. All of the Lender's rights and remedies with respect to the Patents, Trademarks and Copyrights, whether established hereby or by the Credit Agreement, the Security Agreement or by any other agreements or by Law, shall be cumulative and not exclusive of any rights or remedies which it may otherwise have under the other Loan Documents or by Law, and the Lender may enforce any one or more remedies hereunder successively or concurrently at its option.

13. It is the intention of the parties that this Agreement be enforceable to the fullest extent permissible under applicable Law, but that the unenforceability (or modification to conform to such Law) of any provision or provisions hereof shall not render unenforceable, or impair, the remainder hereof. If any provision in this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, this Agreement shall, as to such jurisdiction, be deemed amended to modify or delete, as necessary, the offending provision or provisions and to alter the bounds thereof in order to render it or them valid and enforceable to the maximum extent permitted by applicable Law, without in any manner affecting the validity or enforceability of such provision or provisions in any other jurisdiction or the remaining provisions hereof in any jurisdiction without invalidating the remaining provisions hereof.

14. This Agreement, in conjunction with the Security Agreement, supersedes all prior understandings and agreements, whether written or oral, between the parties hereto relating to a grant of a security interest in the Patents, Trademarks and Copyrights by any Pledgor. This Agreement is subject to waiver, modification, supplement or amendment only by a writing signed by the parties, except as provided in Paragraph 6 and Paragraph 20 hereof with respect to additions and supplements to Schedule A hereto.

15. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties; provided, however, that no Pledgor may assign or transfer any of its rights or obligations hereunder or any interest herein, and any such purported assignment or transfer shall be null and void.

16. This Agreement shall be governed by, construed, and enforced in accordance with the internal laws of the State of North Carolina, without regard to its conflict of laws principles, except to the extent the validity or perfection of the security interests or the remedies hereunder in respect of any Patents, Trademarks or Copyrights are governed by the law of a jurisdiction other than the State of North Carolina.

17. This Agreement may be executed by different parties hereto on any number of separate counterparts, each of which, when so executed and delivered, shall be deemed an original, and all such counterparts shall together constitute one and the same instrument. Each Pledgor acknowledges and agrees that a telecopy or electronic transmission to the Lender of the signature page hereof purporting to be signed on behalf of such Pledgor shall constitute effective and binding execution and delivery hereof by such Pledgor.

18. EACH PLEDGOR HEREBY IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, SUIT, PROCEEDING OR COUNTERCLAIM OF ANY KIND ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE CREDIT AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE PATENTS, TRADEMARKS AND COPYRIGHTS TO THE FULLEST EXTENT PERMITTED BY LAW.

19. Each Pledgor acknowledges and agrees that, in addition to the other rights of the Lender hereunder and under the other Loan Documents, because the Lender's remedies at law for failure of such Pledgor to comply with the provisions hereof relating to the Lender's rights (i) to inspect the books and records related to the Patents, Trademarks and Copyrights, (ii) to receive the various notifications such Pledgor is required to deliver hereunder, (iii) to obtain copies of agreements and documents as provided herein with respect to the Patents, Trademarks and Copyrights, (iv) to enforce the provisions hereof pursuant to which such Pledgor has appointed the Lender its attorney-in-fact, and (v) to enforce the Lender's remedies hereunder, would be inadequate and that any such failure would not be adequately compensable in damages, such Pledgor agrees that each such provision hereof may be specifically enforced.

20. At any time after the initial execution and delivery of this Agreement to the Lender, additional Persons may become parties to this Agreement and thereby acquire the duties and rights of being Pledgors hereunder by executing and delivering to the Lender a joinder agreement pursuant to the Credit Agreement and, in addition, a new Schedule A hereto shall be provided to the Lender with respect to such new Pledgor. No notice of the addition of any Pledgor shall be required to be given to any pre-existing Pledgor and each Pledgor hereby consents thereto.
