RECITALS

A. Bank has entered into certain financial accommodations with Grantor pursuant to a Loan Agreement made as of made as of August 30, 2017 between Bank and Grantor, as amended, restated, replaced and supplemented from time to time ("Loan Agreement").

B. Bank has required Grantor to provide (i) a certain Amended and Restated General Security Agreement dated as of January 26, 2019 between Grantor and Bank, as it may be amended, restated, replaced or supplemented from time to time (the "Security Agreement"), and (ii) this Agreement to Bank, in each case, to secure the Obligations (as defined in the Security Agreement). All terms used without definition in this Agreement shall have the meaning assigned to them in the Security Agreement. All terms used without definition in this Agreement or in the Security Agreement shall have the meaning assigned to them in the California Uniform Commercial Code.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment and performance when due of the Obligations now existing or hereafter arising, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure the prompt and complete payment and performance when due of the Obligations now existing or hereafter arising, Grantor grants and pledges to Bank a security interest in all of Grantor's right, title and interest in, to and under its Intellectual Property Collateral (including without limitation those Copyrights, Patents and Trademarks listed on Exhibits A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Bank under the Security Agreement. The rights and remedies of Bank with respect to the security interest granted hereby are in addition to those set forth in the Security Agreement and the other Loan Documents, and those which are now or hereafter available to Bank as a matter of law or equity. Each right, power and remedy of Bank provided for herein or in the Security Agreement or any of the Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Bank of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Security Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Bank, of any or all other rights, powers or remedies.
