**WITNESSETH:**

WHEREAS, certain parties hereto are party to that certain Trademark Security Agreement dated as of June 15, 2018 (as amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, the “Existing Trademark Security Agreement”)

WHEREAS, certain additional extensions of credit may be made from time to time for the benefit of the Grantors pursuant to certain Secured Cash Management Agreements and Secured Hedge Agreements entered into, in each case, in respect of the Revolving Credit Secured Obligation;

WHEREAS, it is a condition precedent to the Revolving Credit Secured Parties’ obligations to make and maintain such extensions of credit that the Grantors shall have executed and delivered this Trademark Security Agreement to the Administrative Agent;

WHEREAS, pursuant to the Security Agreement, the Grantors are required to execute and deliver to the Administrative Agent, for the benefit of the Revolving Credit Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, for and in consideration of the recitals made above and, for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors hereby agree as follows:

1. DEFINED TERMS. All capitalized terms used herein and not otherwise defined herein shall have the respective meanings assigned to such terms in the Security Agreement, and to the extent that any capitalized terms are not defined herein or in the Security Agreement, such terms shall have the respective meanings assigned to them in the Amended and Restated Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants and pledges to the Administrative Agent, for the benefit of the Revolving Credit Secured Parties, to secure the Revolving Credit Secured Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the "Security Interest") in such Grantor's right, title and interest in, to the following, whether now owned or hereafter acquired or arising and wherever located (collectively, the "Trademark Collateral"):

(i) all of its trademarks, trade names, service marks, trade dress, registered trademarks, trademark applications, registered service marks and service mark applications, including (i) the Trademarks listed on Schedule I; (ii) all renewals thereof, (iii) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (iv) the goodwill of each Grantor's rights corresponding thereto throughout the world; (v) the right to sue for past, present and future infringements thereof; and (vi) all of each Grantor's rights corresponding thereto throughout the world (but only such rights as now exist or may come to exist under applicable local law); provided, that, notwithstanding anything to the contrary contained in the foregoing clauses the security interest created hereby shall not extend to, and the term "Trademark Collateral" shall not include, any intent-to-use Trademark applications filed in the United States Patent and Trademark Office, pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. Section 1051, prior to the accepted filing of a "Statement of Use" and issuance of a "Certificate of Registration" pursuant to Section 1(d) of the Lanham Act or an accepted filing of an "Amendment to Allege Use" whereby such intent-to-use Trademark application is converted to a "use in commerce" application pursuant to Section 1(c) of the Lanham Act.

3. SECURITY FOR REVOLVING CREDIT SECURED OBLIGATIONS. The Security Interest created hereby secures the payment and performance of all the Revolving Credit Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Revolving Credit Secured Obligations and would be owed by the Grantors, or any of them, to the Administrative Agent or any Revolving Credit Secured Party, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Grantor.

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to the Administrative Agent, for the benefit of the Revolving Credit Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. TERMINATION. Upon the termination of the Security Agreement in accordance with its terms, the Administrative Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the security interest in the Trademark Collateral under this Trademark Security Agreement in accordance with the terms of the Security Agreement.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or other electronic means (e.g., “pdf” or “tif”) shall be effective as a delivery of a manually executed counterpart of this Trademark Security Agreement.

7. AMENDMENT AND RESTATEMENT OF EXISTING TRADEMARK SECURITY AGREEMENT. Each Grantor party to the Existing Trademark Security Agreement (the “Existing Grantors”) hereby acknowledges and agrees that the Existing Trademark Security Agreement, as specifically amended, amended and restated, supplemented or otherwise modified herein or hereby, and the obligations of and liens and security interests granted by each Existing Grantor thereunder, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. The execution, delivery and effectiveness of this Trademark Security Agreement shall not operate as a waiver of any right, power or remedy of any Revolving Credit Secured Party or the Administrative Agent under the Existing Trademark Security Agreement. Without limiting the generality of the foregoing, the execution of this Trademark Security Agreement shall not constitute a novation of the security interests created pursuant to the Existing Trademark Security Agreement (as in effect prior to the date hereof) or the obligations of each Existing Grantor thereunder, and the liens and security interests granted in favor of the Administrative Agent created thereunder do and shall continue to secure the payment of all Revolving Credit Secured Obligations, to the extent provided in this Trademark Security Agreement.

8. GOVERNING LAW. THE VALIDITY OF THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

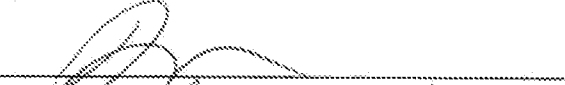

9. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, and the terms “includes” and “including” are not limiting. The words “hereof,” “herein,” “hereby,” “hereunder,” and similar terms in this Trademark Security Agreement or any other Loan Document refer to this Trademark Security Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Loan Document to the satisfaction or repayment in full of the Revolving Credit Secured Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms of the Amended and Restated Credit Agreement) of all Revolving Credit Secured Obligations other than unasserted contingent indemnification and expense reimbursement Revolving Credit Secured Obligations. Any reference herein to any Person shall be construed to include such Person’s successors and permitted assigns. Any

requirement of a writing contained herein or in any other Loan Document shall be satisfied by the transmission of a record.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
