NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor does hereby sell, assign, transfer, set over and relinquishes exclusively unto the Assignee, its successors, legal representatives and assigns, Assignor’s entire right, title and interest in and to the Assigned Marks including the absolute entitlement to any registered trademarks or designs granted pursuant to any of the applications comprised in the Assigned Marks; all statutory and common law rights attaching to the Assigned Marks, together with the goodwill in the Assigned Marks; the entire copyright and all other rights in the nature of copyright subsisting in the Assigned Marks; the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action (including passing off or unfair competition) arising from ownership, of any of the Assigned Marks whether occurring before, on or after the date of this assignment; the same to be held and enjoyed by the Assignee, for its own use and behalf and for the use and behalf of its successors, legal representatives and assigns, for the full term of the Assigned Marks, including any renewals, reversions, extensions or revivals, as fully and entirely as if the same would have been held and enjoyed by the Assignor had this sale and assignment not been made.
