INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this “**IP Assignment**”), dated as of August 20, 2018, is made by Tuff Shed, Inc., a Colorado corporation (“**Assignor**”), and Backyard Products, LLC, a Delaware limited liability company (“**Assignee**”), with its principal address of 1000 Ternest Drive, Monroe, Michigan 48162 (each a “**Party**” and collectively referred to as the “**Parties**”).

WHEREAS, under the terms of the Bill of Sale, Assignment and Assumption, and Restrictive Covenants Agreement executed by Assignor and Assignee as of even date hereof (the “**Conveyance Agreement**”), Assignor has conveyed, transferred and assigned to Assignee, among other assets, certain intellectual property of Assignor, and has agreed to execute and this IP Assignment and deliver individual Assignment documents created in association with this Agreement, for recording with governmental authorities in the United States and other jurisdictions throughout the world including, but not limited to, the U.S. Patent and Trademark Office and the U.S. Copyright Office;

NOW THEREFORE, Assignor agrees as follows:

1. Assignment. In consideration for the execution of the Conveyance Agreement and other good and valuable consideration, the receipt and sufficiency are hereby acknowledged, Assignor hereby irrevocably conveys, transfers and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title and interest in and to the following (the “**Assigned IP**”):
 - (a) the patents and patent applications set forth in **Schedule 1** hereto (the “**Patents**”);
 - (b) the registered and unregistered trademarks, service marks, trade dress, logos, trade names, and corporate names set forth in **Schedule 2** hereto, together with the goodwill connected with the use of and symbolized thereby (the “**Trademarks**”);
 - (c) the copyright registrations and applications for registration set forth in **Schedule 3** hereto (the “**Copyrights**”);
 - (d) all trade secrets and confidential know-how to the extent owned by Assignor and related to the Purchased Business (as defined in the Conveyance Agreement);
 - (e) the internet domain name registrations set forth in **Schedule 4** hereto (the “**Domain Names**”);
 - (f) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world, including the right to file and obtain issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, and/or renewals with respect to the Patents, Trademarks, Copyrights, and Domain Names;

(g) product model names to the extent owned by Assignor and related to the Purchased Assets, including without limitation, "Greenville," "Franklin," "Springfield," "Riverside," "Ashley," "Salem," "Bristol," and "Oakland";

(h) product drawings, designs, or specifications;

(i) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(j) any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Domain Names. Assignor does hereby instruct, authorize, and direct any and all registrars thereof (including, but not limited to, the registrars listed on **Schedule 4**) to transfer the Domain Names to an account as directed by the Assignor. Assignor agrees to cooperate with Assignee and to follow Assignee's reasonable instructions to effectuate the transfer of the Domain Name registrations in a timely manner, and Assignor or Assignee is hereby expressly permitted and authorized to provide a copy of this Assignment to any such registrar as necessary to accomplish such transfer. Assignor further agrees that within five (5) business days after the parties execute this IP Assignment, Assignor shall commence transfer of ownership of the Domain Name to Assignee in accordance with the on-line procedures provided by the registrar of the Domain Name. Assignee shall cooperate with Assignor and provide information as necessary to Assignor to complete the ownership transfer.

3. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Patents, the Commissioner for Trademarks and the Register of Copyrights and any other governmental officials of any country or countries foreign to the United States, to record and register the relevant Assignment documents executed as a part of this IP Assignment upon request by Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate. At Assignee's request and expense, Assignor shall take such steps and actions following the date hereof as are reasonably necessary, including the execution of any documents, files, registrations, or other similar items, to ensure that the Assigned IP is properly assigned to Assignee, or any assignee or successor thereto.

4. Terms of the Conveyance Agreement. The parties hereto acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Conveyance Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Conveyance Agreement and the terms hereof, the terms of the Conveyance Agreement shall govern.

5. Counterparts. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same

agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

6. Successors and Assigns. This IP Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

7. Governing Law. This IP Assignment and any claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this IP Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware aware or any other jurisdiction).

8. Submission to Jurisdiction. Any legal suit, action or proceeding arising out of or based upon this IP Assignment or the transactions contemplated hereby may be instituted in the federal courts of the United States of America or the courts of the State of Delaware in each case located in or with jurisdiction including Dover, Delaware, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding.
