INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment (the “Assignment”) is made and entered into as of July 13, 2018 (the “Effective Date”), by and among, THE WEINSTEIN COMPANY HOLDINGS LLC, a Delaware limited liability company (“TWCH”), and each of the Seller Parties listed on Exhibit A attached hereto (each individually, “Assignor” and collectively, with TWCH, “Assignors”), on the one hand, and LE FILM DISTRIBUTION LLC, a Delaware limited liability company (“Assignee”), on the other hand, pursuant to that certain Asset Purchase Agreement, dated as of March 19, 2018 (as amended, supplemented or otherwise modified from time to time, the “Asset Purchase Agreement”), by and among Assignors, on the one hand, and Assignee, on the other hand.

WHEREAS, under the terms of the Asset Purchase Agreement, Assignors have conveyed, transferred, and assigned to Assignee or one or more of its applicable designees, among other assets, certain intellectual property of Assignors, and have agreed to execute and deliver this Assignment, for recording with the United States Patent and Trademark Office, and corresponding entities or agencies in any applicable jurisdictions.

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Assignor hereby assigns and transfers to Assignee, absolutely and forever, all of its right, title, and interest, whether statutory or at common law, in and to, respectively, all of its rights, title, and interests pertaining to all the intellectual property and intangible property included in Purchased Assets, including the following:

a. patents and patent applications set forth on Schedule 1 hereto and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, and renewals thereof;

b. trademarks and service marks, trade names and business names, trade dress, logos, social media handles and domain names together with the part of the goodwill of the business connected with the use of and symbolized by the foregoing, and all corresponding registrations and applications for the registration of the foregoing, including the marks set forth in Schedule 2 hereto;

c. copyright rights in all original works of authorship, including registered and unregistered copyrights in both published and unpublished works, and applications to register any copyrights, including the copyrights set forth in Schedule 3 hereto;

d. trade secrets, including, confidential business information, know-how, concepts, methods, processes, reports, data, client lists, business plans, and other confidential and/or proprietary business information;

e. any and all statutory royalties, fees, income, payments, and other statutory proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

f. claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

g. rights of any kind whatsoever of such Assignor accruing under any of the foregoing, including all rights under applicable Contracts, provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world (collectively, the "Assigned IP");

2. Terms of the Asset Purchase Agreement. The parties hereto acknowledge and agree that this Assignment is entered into pursuant to the Asset Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Assignors and Assignee with respect to the Assigned IP. The representations, warranties, covenants and agreements contained in the Asset Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Purchase Agreement and the terms hereof, the terms of the Asset Purchase Agreement shall govern.

3. Binding Effect. This Assignment is and shall be binding upon the parties hereto, their heirs, executors, administrators, representatives, agents, employees, affiliates, officers, and principals of the parties and their successors and assigns.

4. Miscellaneous. This Assignment is subject to the applicable sections of the Asset Purchase Agreement, which are incorporated herein by reference as if set forth in full herein. Any capitalized terms not specifically defined herein shall have the meaning assigned to them in the Asset Purchase Agreement.
