Registration Date: February 6, 2001

DECLARATION OF ASSIGNEE

I, Paul SUZIO, do hereby state and declare as follows:

I am the President/Chief Operating Officer of BRIDGEPORT FITTINGS, INCORPORATED, a corporation organized and existing under the laws of the State of Connecticut;

On July 28, 2006 the above-identified trademark and corresponding U.S. trademark registration were assigned from CREFTCON INDUSTRIES, a California corporation, to BRIDGEPORT FITTINGS, INCORPORATED;

The assignment document for this assignment was recorded with the U.S. Patent and Trademark Office on August 4, 2006 under Reel: 003362 Frame: 0256;

The assignment document used the abbreviated form of "Incorporated," namely "Inc.," when identifying BRIDGEPORT FITTINGS, INCORPORATED, and, as a result, the assignee was incorrectly identified as BRIDGEPORT FITTINGS, INC. in the assignment document;

The correct full name of the assignee is BRIDGEPORT FITTINGS, INCORPORATED;

The assignor, CREFTCON INDUSTRIES, is no longer available to correct the assignment document or execute a new assignment document;

Accordingly, copy of the originally recorded assignment document with corrections initialed and dated by the undersigned is included with this Declaration;

The corrections replace "Inc." with "Incorporated" to reflect the full name of the assignee, namely, BRIDGEPORT FITTINGS, INCORPORATED;

In view of the foregoing, the assignee, BRIDGEPORT FITTINGS, INCORPORATED, respectfully requests that the error in identification of the assignee be corrected, and the assignment records be updated to reflect such correction for the above-identified U.S. trademark registration.

The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.
