ASSIGNMENT OF TRADEMARK RIGHTS

Lobe Artificial Intelligence, Inc. ("Assignor"), a Delaware corporation, adopted, used and owned the trademark and associated application set forth in the attached Exhibit 1 (the "Trademark"); and

Microsoft Corporation, ("Assignee"), a Washington Corporation, acquired the Trademark, along with the associated common law rights and the goodwill associated therewith;

Pursuant to the Stock Purchase Agreement between the parties dated July 30, 2018, Assignor transferred to Assignee all right, title and interest in and to Assignor's business, including the Trademark, together with all related common law rights and the goodwill of the business symbolized by the Trademark.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor confirms that it has assigned to Assignee all right, title and interest in and to the Trademark, together with that portion of its business relating to the mark and the goodwill symbolized by the Trademark, in the United States and throughout the world. Assignor further confirms that it has assigned to Assignee all right, title and interest in and to all claims for damages by reason of past or current infringement or misuse of the Trademark, together with the right to sue for, collect, and retain the proceeds relating to any such infringement or misuse.

Assignor covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into by Assignor which would conflict with this Assignment.
