Re: Release of Security Against Arch Chemicals, Inc. Trademarks

Dear Sara:

Further to our e-mails, and on behalf of our client Arch Chemicals, Inc. (Lonza), we have prepared this letter to memorialize or otherwise effectuate as clearly as possible the release of the 1985 security agreement in favor of First Wisconsin Financial Corporation (executed on December 9, 1985) that was recorded at the United States Patent and Trademark Office at frame and reel 0519/0335 (the "Security Agreement"). Based on our research, we know that First Wisconsin Financial Corporation was a subsidiary of First Wisconsin National Bank Milwaukee. While First Wisconsin Financial Corporation dissolved in January 1989, First Wisconsin National Bank Milwaukee became a subsidiary of Firststar Corporation, which later became U.S. Bank National Association.

Our intuition is that the Security Agreement would have been released years ago, but we have never been able to obtain confirmation or a copy of the same. As such, to clean up the record as clearly as possible, we have asked U.S. Bank National Association to memorialize or otherwise effectuate the release of the Security Agreement on the trademarks listed below:

<u>U.S. Trademark Reg. No.</u>	<u>Mark</u>	<u>Status</u>	<u>Owner</u>
576127	CUTRINE	Registered/Renewed; next renewal due June 16, 2023	ARCH CHEMICALS, INC.

<u>U.S. Trademark Reg. No.</u>	<u>Mark</u>	<u>Status</u>	<u>Owner</u>
943881	SWIMTRINE	Registered/Renewed; next renewal due October 3, 2022	ARCH CHEMICALS, INC.
1011348	STOCKTRINE	Registered/Renewed; next renewal due May 27, 2025	ARCH CHEMICALS, INC.
1011352	AB & Design 	Registered/Renewed; next renewal due May 27, 2025	ARCH CHEMICALS, INC.
1016219	SEPTICTRINE	Registered/Renewed; next renewal due July 22, 2025	ARCH CHEMICALS, INC.
1028388	WEEDTRINE	Registered/Renewed; next renewal due December 30, 2025	ARCH CHEMICALS, INC.
1029115	BLACK ALGAETRINE	Registered/Renewed; next renewal due January 6, 2026	ARCH CHEMICALS, INC.
1083831	ALGAETRINE	Registered/Renewed; next renewal due January 31, 2028	ARCH CHEMICALS, INC.

(hereinafter, collectively referred to as the "Trademarks").

To the best of the knowledge of Lonza, U.S. Bank National Association is ostensibly the inheriting party of the security interests in question. Accordingly, if and to the extent that U.S. Bank National Association is in fact the successor-in-interest to the security interests secured against Trademarks, by your countersignature (or your authorized designee), U.S. Bank National Association hereby confirms that all security interests granted pursuant to the Security Agreement with respect to all the Trademarks are terminated, released, discharged, and relinquished. As a result, if and to the extent that U.S. Bank National Association is in fact the successor-in-interest to the security interests secured against Trademarks, U.S. Bank National Association today claims no liens or security interests in the Trademarks, releasing and discharging any and all such interest that it may retain with respect to the Trademarks.
