B. WHEREAS, in connection with the Credit Agreement, the Debtor has executed and delivered that certain Security Agreement, dated as of February 20 2019, to the Secured Party (as amended or otherwise modified from time to time, the "Security Agreement"); and

C. WHEREAS, as a condition precedent to the making of the extensions of credit under the Credit Agreement, the Debtor is required to execute and deliver this Agreement and to further confirm the grant to the Secured Party a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Indebtedness (as defined in the Credit Agreement).

NOW, THEREFORE, for good and valuable consideration the receipt of which is hereby acknowledged, and in order to induce the Secured Party to make extensions of credit to the Borrower pursuant to the Credit Agreement, Debtor agrees, for the benefit of the Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.

SECTION 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure the prompt and complete payment and performance when due of all of the Indebtedness, Debtor does hereby mortgage, pledge and hypothecate to the Secured Party, and grant to the Secured Party a security interest in, all of the following property of Debtor (the "Trademark Collateral"), whether now owned or hereafter acquired or existing:

(a) all license agreements with any other Person in connection with any of the Trademarks or such other Person's names or trademarks, whether Debtor is a licensor or a licensee under any such license agreement, including, without limitation, the license agreements listed on Schedule 1.1 hereto and made a part hereof, subject, in each case, to the terms of such license agreements, and the right to prepare for sale, and to sell and advertise for sale, all inventory now or hereafter covered by such licenses;

(b) all trademarks, service marks, trade names, trade dress or other indicia of trade origin, trademark and service mark registrations; and applications for trademark or service mark registrations (except for "intent to use" applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) or 1(d) of said Act has been filed), and any renewals thereof, including, without limitation, each registration and application identified on *Schedule 1.1* attached hereto and made a part hereof, and including without limitation (a) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (b) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all Trademark Licenses entered into in connection therewith, and damages and payments for past or future infringements thereof) and (c) all rights corresponding thereto and all other rights of any kind whatsoever of Debtor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each such trademark, service mark, trade name, trade dress or other indicia of trade origin;

(c) all renewals of any of the items described in clauses (a) and (b);

(d) all of the goodwill of the business connected with the use of, and symbolized by each of the items described in, clauses (a), (b) and (c); and
