TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of February 13, 2019, is made by CIRCOR RELIABILITY SERVICES COMPANY, a Delaware corporation (“Grantor”), in favor of U.S. Bank National Association, as administrative agent (in such capacity, together with its successors and permitted assigns, the “Administrative Agent”) for the Lenders and the L/C Issuer (as defined in the Loan Agreement referred to below) and the other Secured Parties.

WITNESSETH:

WHEREAS, pursuant to the Loan and Security Agreement, dated as of July 28, 2017 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Loan Agreement”), by and among RelaDyne Inc., a Delaware corporation (the “Borrower”), the other Credit Parties, the Lenders and the L/C Issuer from time to time party thereto and the Administrative Agent, the Lenders have severally agreed to make loans to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, the Grantor has agreed, pursuant to the Loan Agreement to guarantee the Obligations (as defined in the Loan Agreement) of the Borrower; and

WHEREAS, the Grantor is party to the Loan Agreement pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the L/C Issuer and the Administrative Agent to enter into the Loan Agreement and to induce the Lenders and the L/C Issuer to make their respective loans and extensions of credit to the Borrower, the Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Loan Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations, hereby pledges to the Administrative Agent for the benefit of the Secured Parties, and grants to the Administrative Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of the Grantor (the “Trademark Collateral”):

- (a) all of its Trademarks (other than any “intent-to-use” Trademark applications for which a statement of use has not been filed and accepted with the U.S. Patent and Trademark Office (but only until such statement is filed and accepted with the U.S. Patent and Trademark Office)), including, without limitation, those referred to on Schedule 1 hereto;
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
- (d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to

sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Loan Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Loan Agreement, and the Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between this Agreement and the Loan Agreement, the Loan Agreement shall control.

Section 4. Grantor Remains Liable. The Grantor hereby agrees that, anything herein to the contrary notwithstanding, but subject to the terms of the Loan Agreement, the Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks subject to a security interest hereunder.

Section 5. Termination. This Trademark Security Agreement shall terminate and the Lien on the security interest in the Trademark Collateral shall be released upon (a) the payment and performance in full of the Obligations (other than any outstanding indemnification obligations) and cash collateralization of Letters of Credit and (b) such time as no Lender or any other Person shall have any obligation to grant, and no Person shall have any further right to obtain, any loans, letters of credit, bankers' acceptances, or other extensions of credit under the documents relating to the Obligations. Upon the termination of this Trademark Security Agreement, the Administrative Agent shall execute all documents, make all filings, and take all other actions reasonably requested by the Grantor to evidence and record the release of the Lien on and security interests in the Trademark Collateral granted herein.

Section 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 7. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the internal laws (but otherwise without regard to the conflict of laws provisions) of the State of New York, but giving effect to federal laws applicable to national banks.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, Each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

CIRCOR RELIABILITY SERVICES COMPANY,

as Grantor
