GRANT OF  
SECURITY INTEREST IN TRADEMARKS

This GRANT OF SECURITY INTEREST IN TRADEMARKS (“Agreement”), dated January 15, 2019, is made by each entity listed on the signature pages hereto (each a “Grantor”), in favor of JPMORGAN CHASE BANK, N.A., a national banking association, as Administrative Agent (the “Agent”) for the several banks and other financial institutions (the “Lenders”), parties to the Term Loan Agreement, dated as of October 23, 2015 (as amended, restated, supplemented, waived or otherwise modified from time to time, the “Term Loan Agreement”), among REALOGY INTERMEDIATE HOLDINGS LLC (“Holdings”), REALOGY GROUP LLC (the “Borrower”), the Agent, and the Lenders.

WITNESSETH:

WHEREAS, pursuant to the Term Loan Agreement, the Lenders have severally agreed to extend credit to the Borrower subject to the terms and conditions set forth therein; and

WHEREAS, in connection with the Term Loan Agreement, each Grantor has executed and delivered a Guarantee and Collateral Agreement, dated as of October 23, 2015, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the “Guarantee and Collateral Agreement”);

WHEREAS, pursuant to the Guarantee and Collateral Agreement, each Grantor pledged and granted to the Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a continuing security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Term Loan Agreement, each Grantor agrees, for the benefit of the Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Term Loan Agreement and the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest. Each Grantor hereby pledges and grants a continuing security interest in, and a right of setoff against, and agrees to assign, transfer and convey, upon demand made upon the occurrence and during the continuance of an Event of Default to be effective upon such demand, such Grantor’s right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto below the name of such Grantor) (collectively, the “Collateral”), to the Agent for the benefit of the Agent and the applicable Secured Parties to secure payment, performance and observance of the applicable Loan Obligations.

SECTION 3. Purpose. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the applicable Secured Parties in connection with the Guarantee and Collateral Agreement and is expressly **TRADEMARK** subject to the terms

and conditions thereof. The Guarantee and Collateral Agreement (and all rights and remedies of the applicable Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the applicable Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Term Loan Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original. Delivery of an executed counterpart to this Agreement by facsimile or electronic transmission shall be as effective as delivery of a manually signed original.

*[Remainder of page intentionally left blank]*

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers as of the date written above.
