TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment") is made as of February 6, 2019 by TGT, Inc., a Wyoming corporation ("Assignor"), in favor of Lakeshirts, Inc., a Minnesota corporation ("Assignee").

RECITALS

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title and interest in, to and under United States Trademark Registration Number 4662557 for the mark TGT for goods in International Classes 009, 016 and 026, including any common law trademark rights therefor (the "Mark"); and

WHEREAS, Assignor and Assignee have entered into an Asset Purchase Agreement, dated as of February 6, 2019 (the "APA"), under which Assignor assigned to Assignee all of Assignor's right, title and interest in and to the Mark, together with the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration paid by Assignee to Assignor, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, transfer, assign and deliver to Assignee, Assignor's entire right, title and interest in and to the Mark, together with the goodwill of the Mark, for the United States and for all foreign countries now or hereafter in effect and including the subject matter of all claims which may be obtained therefrom for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made, together with all income, royalties or payments due or payable as of the effective date of this Assignment or thereafter, including all claims for damages by reason of past, present or future infringement or other unauthorized use, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives Assignor and Assignee had not entered into the APA.

The parties hereto acknowledge and agree that this Assignment is entered into pursuant to the APA, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Mark. The representations, warranties, covenants, agreements, and indemnities contained in the APA shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the APA and the terms hereof, the terms of the APA shall govern.

This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy

of this Assignment delivered by electronic means shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

This Assignment and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this Assignment and the transactions contemplated hereby shall be construed and enforced in accordance with, and governed by, the laws of the State of Wyoming (without giving effect to the principles of conflicts of laws thereof).
