SUPPLEMENT
TO
INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Supplement to Intellectual Property Security Agreement is entered into as of January 31, 2019 by and between PACIFIC MERCANTILE BANK ("*Lender*") and IPS GROUP INC., a Pennsylvania corporation (jointly and severally, "*Grantor*").

RECITALS

A. Lender and Grantor previously entered into an Intellectual Property Security Agreement (the "*IP Security Agreement*"), dated as of March 26, 2015 (the "*Effective Date*"). Capitalized terms that are used but not defined herein shall have the meanings provided for in the IP Security Agreement.

B. Lender and Grantor now desire to amend and supplement the IP Security Agreement as set forth herein.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, the parties hereby represent, warrant, covenant and agree as follows:

AGREEMENT

The IP Security Agreement is hereby amended and supplemented by adding the Intellectual Property listed on Schedule A hereto to Schedule A of the IP Security Agreement, the Intellectual Property listed on Schedule B hereto to Schedule B of the IP Security Agreement, and the Intellectual Property listed on Schedule C hereto to Schedule C of the IP Security Agreement. References to Schedules contained in the IP Security Agreement shall be deemed to refer to such Schedules as supplemented by the Schedules attached hereto. Without limitation on the generality of the foregoing, (1) Grantor grants and pledges to Lender a security interest in all of Grantor's right, title and interest in, to and under the intellectual property described on the Schedules hereto, including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof, and (2) Grantor represents and warrants to Lender that, other than as set forth on the Schedules to the IP Security Agreement (as amended and supplemented by the Schedules hereto), it has no trademarks or patents registered with the United States Patent and Trademark Office, or copyrights registered with the United States Copyright Office, or any pending applications therefor.

This Agreement is part of the IP Security Agreement and the provisions thereof are incorporated herein. The parties are authorized to attach to the IP Security Agreement a copy of the Exhibits hereto. This Agreement may be executed in any number of, and by different parties

hereto on, separate counterparts, all of which, when so executed, shall be deemed an original, for all such counterparts shall constitute one and the same agreement.

IN WITNESS WHEREOF, the parties have caused this Supplement to Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
