SECOND LIEN TRADEMARK SECURITY AGREEMENT

This SECOND LIEN TRADEMARK SECURITY AGREEMENT (this "Second Lien Trademark Security Agreement") is entered into as of February 28, 2019, by and among Beaver-Visitec International (US), Inc. and Beaver-Visitec International, Inc. (collectively, "Grantors" and each, "Grantor") and WILMINGTON TRUST, NATIONAL ASSOCIATION, in its capacity as collateral agent for the Secured Parties (in such capacity, together with its successors and permitted assigns, the "Second Lien Collateral Agent").

PRELIMINARY STATEMENTS

WHEREAS, each Grantor is party to a Second Lien Pledge and Security Agreement, dated as of February 28, 2019 (as it may be from time to time amended, restated, amended and restated, replaced, supplemented or otherwise modified, the "Second Lien Security Agreement"), in favor of the Second Lien Collateral Agent pursuant to which each Grantor granted to the Secured Parties a security interest in and continuing lien on, certain intellectual property rights owned by the Grantor and pursuant to which each Grantor is required to execute and deliver this Second Lien Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Second Lien Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, and to induce the Lenders to make their respective extensions of credit to the Parent Borrower thereunder, each Grantor hereby agrees with the Second Lien Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Second Lien Security Agreement and used herein have the meaning given to them in the Second Lien Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Second Lien Collateral Agent for itself and the ratable benefit of the Secured Parties a continuing lien on and security interest in and to all of its right, title and interest in, to and under (a) the Trademarks of each Grantor, including the Trademarks listed on Schedule I attached hereto (excluding any "intent-to-use" trademark application filed with the USPTO prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law); (b) all extensions or renewals of any of the foregoing; (c) all of the goodwill of the business connected with the use of and symbolized by the foregoing; (d) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill; and (e) all Proceeds of the foregoing, including without limitation, licenses, royalties, income, payments, claims, damages and proceeds of suit (collectively, the "Trademark Collateral").

SECTION 3. Second Lien Security Agreement. The security interest granted pursuant to this Second Lien Trademark Security Agreement is granted in conjunction with the security interest granted to the Second Lien Collateral Agent pursuant to the Second Lien Security Agreement, and should not be deemed to grant a broader security interest in the Trademark Collateral than what is granted by the Grantors to the Second Lien Collateral Agent in the Second Lien Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Second Lien Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Second Lien Security Agreement (and are expressly subject to the terms and conditions thereof), the terms and provisions of which are incorporated by reference as if fully set forth herein. In the event that any provision of this Second Lien Trademark Security Agreement is deemed to conflict with the Second Lien Security Agreement, the provisions of the Second Lien Security Agreement shall control.

SECTION 4. Termination. Upon the termination of the Second Lien Security Agreement in accordance with its terms, the Second Lien Collateral Agent shall execute, acknowledge, and deliver to each Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, lien and security interest in the Trademark Collateral under this Second Lien Trademark Security Agreement.

SECTION 5. Counterparts. This Second Lien Trademark Security Agreement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Second Lien Trademark Security Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Second Lien Trademark Security Agreement.

SECTION 6. GOVERNING LAW. THIS SECOND LIEN TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, Grantor has caused this Second Lien Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
