INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT dated the 22nd day of February, 2019

BY:

TELUS COMMUNICATIONS INC. (the "Assignor")

IN FAVOUR OF:

TELUS CORPORATION (the "Assignee").

WHEREAS, the Assignor desires to sell, transfer, convey, assign and deliver to the Assignee all of the Assignor's right, title and interest in and to all of the trademarks and corresponding applications and registrations listed on Schedule "A" hereto (the "**Trademarks**"), including all of the goodwill of the business carried on in association with and symbolized by the Trademarks, all internet domain names containing the trademarks or tradenames, all information required to obtain access to and control the internet domain names, all copyright in any literary or artistic matter in the Trademarks, all common law rights in the Trademarks and the right to sue for past infringements, or passing off, of the Trademarks, and the patent and patent applications listed on Schedule "B" hereto (the "**Patent Rights**"), including all priority claims relating to the Patent Rights, whether domestic or foreign, the invention or inventions described in the Patent Rights, and all applications whenever or wherever filed that claim priority from any application or patent included in the Patent Rights (collectively all referred to as the "**Assigned Intellectual Property**");

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. The Assignor does hereby sell, transfer, convey, assign and deliver unto the Assignee all of such Assignor's worldwide right, title and interest in and to the Assigned Intellectual Property, being the Trademarks and Patent Rights, the same to be held by the Assignee as fully and entirely as the same could have been held and enjoyed by such Assignor if this assignment had not been made, this including the assignment of the right to take action and recover in respect of any infringement of the rights of such Assignor in and to the Assigned Intellectual Property that took place prior to the date of this Agreement.

2. The Assignor hereby authorizes the Canadian Intellectual Property Office, the United States Patent and Trademark Office and any all other relevant governmental intellectual property offices to transfer and record the assignment of the Assigned Intellectual Property, being the Trademarks and Patent Rights set forth on Schedule "A" and Schedule "B" hereto, to the Assignee or otherwise as the Assignee may direct. The Assignor further authorizes the Assignee to make any additions to Schedule "A" or Schedule "B" hereto required by a relevant governmental intellectual property office to effect the recording of the assignments, such as the addition of serial numbers.

3. The Assignor further agrees, from time to time, to make, do, and execute, or cause to be made, done, or executed all such further acts, deeds, assurances, or things that may reasonably be required to give effect to the foregoing provisions including the execution of any further country-specific assignment documents, power of attorney documents and other documents necessary to effect the recording of the assignments at the various relevant governmental intellectual property offices.

4. This Intellectual Property Assignment shall inure to the benefit of the Assignee, its successors and assigns and other legal representatives, and shall be binding upon the Assignor, its successors, legal representatives and assigns.

5. This Intellectual Property Assignment shall be construed and interpreted in accordance with and governed by the laws of the Province of Ontario and the laws of Canada applicable therein, without regard to the conflicts of law principles thereof.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, the Assignor has caused this Intellectual Property Assignment to be duly executed and delivered by its duly authorized representative as of the date first written above.
