Registration No. 4,937,170                      Date of Registration: April 12, 2016

Whereas, Assignee wishes to acquire, and Assignor wishes to assign, the entire right, title and interest in and to the Marks and the business and goodwill of the business in connection with which the Marks have been used.

NOW, THEREFORE, in consideration of the foregoing, and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, Assignor and Assignee hereby agree as follows:

**1. Assignment.** Assignor hereby transfers, assigns and sets over to Assignee the entire right, title and interest of Assignor in and to the Marks, together with the business and goodwill of the business in connection with which the Marks have been used, and all registrations and applications therefor, in the United States and for all foreign countries, including any divisions, reissues, renewals, continuations, continuations-in-part, improvements and extensions thereof that are or may be secured under the laws of the United States and all foreign countries, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment had not been made, together with the right or priority under any international agreements to which the United States adheres and with all income, royalties or payments due or payable as of the effective date of this assignment or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives. Assignor requests the Commissioner of Patents and Trademarks, any other governmental or judicial entity and any and all foreign countries to record Assignee as the assignee and owner of the Marks.

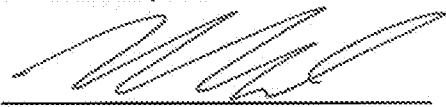

**2. Further Assistance.** Assignor shall provide to Assignee, its successors, assigns or other legal representatives, reasonable cooperation and assistance at Assignee's request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required): (a) in the preparation and prosecution of any application for registration or any application for renewal of a registration covering the Marks, (b) in the prosecution or defense of any cancellation, opposition, infringement or other proceedings that may arise in connection with the Marks, including, but not limited to, testifying as to any facts relating to the Marks assigned herein and
