TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is made and entered into as of March 8, 2019 (the "Effective Date") by and between Louise Mawhinney, ("Assignor"), and Sky Bar Confectionary Company LLC, a Limited Liability Corporation organized under the laws of the Commonwealth of Massachusetts, ("Assignee").

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, the United States Trademark Registrations identified in Exhibit A attached hereto and made a part hereof (the "Marks").

NOW, THEREFORE, the Assignor and Assignee hereby agree as follows:

1. Assignment. Assignor hereby assigns, transfers, and sets over to Assignee the entire right, title, and interest in and to the Marks, including the goodwill of the business associated therewith or symbolized thereby, together with any renewals and extensions thereof and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties, damages, and payments now or hereafter due or payable with respect to any of the foregoing and all causes of action (either in law or in equity) and the right to sue, and recover for past, present, or future infringement or other unauthorized use of the Marks assigned to Assignee hereunder.

2. Representations of Assignor. Assignor represents to the Assignee as follows:

(A) Assignor owns good and valid title to the Marks (including Proprietary Rights) free and clear of all liens, encumbrances, and security interests. "Proprietary Rights" means all of the following in any jurisdiction throughout the world: (i) patents, patent applications and patent disclosures; and (ii) trademarks, service marks, trade dress, trade names, corporate names, logos and slogans (and all translations, adaptations, derivations and combinations of the foregoing) and internet domain names, together with all goodwill associated with each of the foregoing.

(B) Assignor is in compliance, in all material respects, with all laws applicable to the Marks being conveyed and no claims or other proceedings have been filed against Assignor alleging a material violation of any such laws, and Assignor has not received notice of any such violations.

3. Recordation. Assignor authorizes the Commissioner of Patents and Trademarks of the United States and any official of any state or country foreign to the United States, whose duty it is to record trademark registrations, applications, and title thereto, to record the Marks and title thereto as the property of the Assignee, its successors, legal representatives, and assigns in accordance with the terms of this instrument.

4. General. Any provision in this Assignment which is illegal, invalid or unenforceable shall be ineffective to the extent of such illegality, invalidity or unenforceability, without affecting in

any way the remaining provisions hereof. This Assignment may not be amended except by execution and delivery of an instrument in writing signed by officers of the parties hereto. This Assignment shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts (without giving reference to the principles of conflicts of law). This Assignment may be executed in any number of counterparts, all of which, taken together, shall constitute one document. Counterparts of this Assignment (or applicable signature pages hereof) that are manually signed and delivered by facsimile or other electronic transmission shall be deemed to constitute signed original counterparts hereof and shall bind the parties signing and delivering in such manner.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the Effective Date.
