TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT dated as of March 5, 2019 (as amended, amended and restated, supplemented or otherwise modified from time to time, this “Trademark Security Agreement”), among NYDJ Apparel, LLC, a New York limited liability company (the “Grantor”) and Wilmington Trust, National Association, as administrative agent (in such capacity, the “Administrative Agent”).

Reference is made to (a) the Amended and Restated First Lien Credit Agreement (as the same may be further amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), dated March 5, 2019 among NYDJ Holdco Corporation (“Holdings”), NYDJ Apparel, LLC, a New York limited liability company (the “Borrower”), the Subsidiary Loan Parties party thereto, the Lenders party thereto and the Administrative Agent, and (b) the Amended and Restated Collateral Agreement dated of even date with the Credit Agreement (as the same may be further amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among the Borrower, the other grantors from time to time party thereto and the Administrative Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The Grantor is the Borrower and is willing to execute and deliver this Trademark Security Agreement in order to induce the Lenders to extend such credit and will derive substantial benefits from the extension of credit pursuant to the Credit Agreement. Accordingly, the parties hereto agree as follows:

SECTION 1. Definitions. Capitalized terms used in this Trademark Security Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Article I of the Collateral Agreement also apply to this Trademark Security Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor hereby grants to the Administrative Agent, its successors and assigns, for the ratable benefit of the Secured Parties, a security interest (the “Security Interest”) in all of the Grantor’s right, title and interest in, to and under the trademarks and service mark registrations and applications set forth on Schedule I attached hereto (provided that no Security Interest will be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law), together with the goodwill associated therewith and symbolized thereby, any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages, and any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to or arising from any and all of the foregoing (the “Trademark Collateral”).

SECTION 3. Security of Obligations. The grant of the security interest in the Trademark Collateral by the Grantor under this Trademark Security Agreement secures the payment of all Secured Obligations of the Grantor now or hereafter existing under or in respect

of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this Trademark Security Agreement secures, as to the Grantor, the payment of all amounts that constitute part of the Secured Obligations and that would be owed by the Grantor to any Secured Party under the Loan Documents but for the fact that such Secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 4. Collateral Agreement. The Security Interest granted to the Administrative Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Administrative Agent pursuant to the Collateral Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 5. Recordation. The Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 6. Termination. The security interest granted herein shall terminate and be released at the time and in the manner set forth in Section 9.15 of the Credit Agreement and, at such time, the Administrative Agent shall execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Trademark Security Agreement.

SECTION 7. Counterparts. This Trademark Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Trademark Security Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Trademark Security Agreement.

SECTION 8. Governing Law. This Trademark Security Agreement shall be governed by and construed in accordance with the laws of the State of New York.
