WHEREAS, at the time of filing, some of the applications listed above also inadvertently designated the state of registration to do business of Assignor, *i.e.*, New York, as the incorporation state, rather than the actual state of incorporation, which is and has always been Delaware;

WHEREAS, with reference to TMEP 1201.02(c), the identified L-3 entity registered to do business in New York is and has always been the same as the entity incorporated as L-3 Communications in Delaware and identified in the application for the Marks, and there was no separate entity incorporated in New York under the above-identified name;

WHEREAS, as of February 21, 2017, L-3 Communications Corporation reorganized its operations under the laws of the State of Delaware, including changing its name to L3 Technologies, Inc., continuing as a Delaware Corporation with the same address listed above, registered to do business in the State of New York under the new name;

WEHEREAS, at the time of name change from L-3 Communications Corporation to L3 Technologies, Inc., it was Assignor's intention to change ownership of the Marks to the new entity name and to correct the state of incorporation to Delaware where applicable;

WHEREAS I, Donald L. Letizia, held signatory authority for both Assignor and Assignee at the time of filing of the Marks before the name change, and continue to hold such signatory authority through to the present date;

WHEREAS, effective as of February 21, 2017, Assignor now desires to correct the USPTO records regarding all name changes, and appropriate state of incorporation, and to confirm ownership of all of its right, title, interest, and corresponding goodwill in the Marks, to the extent not already owned by Assignee, to L3 Technologies, Inc., a Delaware corporation, which is registered to do business in the State of New York, and having a principal place of business at 600 Third Avenue, New York, New York, 10016 ("Assignee"); and

WHEREAS, Assignor encloses with this assignment a copy of the entity information provided by the NYS Department of State and by the Delaware Department of State.

NOW THEREFORE, in order to confirm any prior agreements regarding assignment of the Marks, and to confirm assignment of all U.S. and international rights in the Marks, and any other related rights in whole or in part in the Marks, do execute this Assignment as of the “Effective Date” set forth herein.

In consideration of One Dollar (\$1.00) and other good and valuable consideration paid to Assignor by Assignee, the receipt and sufficiency of which Assignor hereby acknowledges, ASSIGNOR HEREBY ASSIGNS TO ASSIGNEE:

All of Assignor’s right, title and interest in and to the Marks, the goodwill of the business symbolized by and associated with the Marks, the registrations of the Marks, and the right to sue for past infringement of the Marks.

Assignor hereby agrees, without further consideration and without expense to it, to sign all lawful papers and to perform all other lawful acts which Assignee may reasonably request of it to make this Assignment fully effective. Assignor further agrees to provide all evidence upon request by Assignee, including any use in commerce (or lack thereof) of any of the Marks, which would be reasonably required to maintain, renew, or otherwise establish any new filings of the Marks.

This assignment and agreement shall be binding upon our heirs and legal representatives and shall be effective as of the date of February 21, 2017, the “Effective Date.”
