EXECUTION VERSION

**INTELLECTUAL PROPERTY SECURITY AGREEMENT**

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, restated, supplemented or otherwise modified, this "Agreement") is entered into as of March 19, 2019 by and between SONARMED INC., a Delaware corporation ("Grantor") and UNITED STATES SURGICAL CORPORATION, a Delaware corporation ("Lender").

**RECITALS**

**A.** Lender and Grantor are entering into a Security Agreement as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"). Defined terms used herein without definition shall have the meanings set forth in the Security Agreement.

**B.** The Obligations are secured by the Collateral, as defined in the Security Agreement, including without limitation, all of Grantor's Patents, Trademarks and Copyrights (collectively, "Intellectual Property").

**NOW, THEREFORE**, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, Grantor and Lender hereby agree:

**AGREEMENT**

To secure the Obligations, Grantor grants Lender a security interest in all of Grantor's right, title and interest in its Intellectual Property. Grantor hereby confirms that the attached schedules of Grantor's copyright, patent and trademark applications and registrations, which are registered or filed with the United States Patent and Trademark Office or the United States Copyright Office, as applicable, attached hereto as Exhibits A, B and C hereto, respectively, are complete and accurate as of the date hereof.

Grantor hereby authorizes Lender to (a) modify this Agreement unilaterally by amending the exhibits to this Agreement to include any Intellectual Property which Grantor obtains subsequent to the date of this Agreement, and (b) file a duplicate of this Agreement containing amended exhibits reflecting such new Intellectual Property.

This Agreement shall be exclusively (without regard to any rules or principles relating to conflicts of laws) governed by, enforced and construed in accordance with the laws of the state of Delaware and the federal laws of the United States applicable therein. This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.
