TRADEMARK SECURITY AGREEMENT

(TRADEMARKS, TRADEMARK REGISTRATIONS,
TRADEMARK APPLICATIONS AND TRADEMARK LICENSES)

March 1, 2019

WHEREAS, OR HoldCo, LLC, a Delaware limited liability company ("Borrower"), and each other subsidiary of Borrower whose name appears at the foot hereof (each a "Subsidiary"; together with Borrower, each a "Pledgor" and collectively, the "Pledgors"), now own or hold and may hereafter acquire or hold Trademarks (defined as all of the following: all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source of business identifiers and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof or similar property rights, and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision thereof, and all reissues, extensions or renewals thereof) including, without limitation, the Trademarks listed on Schedule A annexed hereto;

WHEREAS, pursuant to that certain Credit, Security, Guaranty and Pledge Agreement, dated as of March 1, 2019, (as the same may be amended, modified or otherwise supplemented from time to time, the "Credit Agreement"; capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Credit Agreement), among Borrower, the Guarantors named therein, the Lenders named therein (the "Lenders"), and City National Bank, as Administrative Agent (the "Administrative Agent"), the Lenders have agreed to make Loans to Borrower;

WHEREAS, pursuant to the terms of the Credit Agreement, each of the Pledgors has granted to the Administrative Agent (for the benefit of itself and the Secured Parties) a security interest in all personal property of such Pledgor including, without limitation, all right, title and interest of such Pledgor in, to and under all of such Pledgor's Trademarks and Trademark licenses (including, without limitation, those Trademark licenses listed on Schedule B hereto), whether presently existing or hereafter arising, adopted or acquired, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all income therefrom, including, without limitation, any and all causes of action which exist now or may exist in the future by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment of the Obligations;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Pledgor does, as security for the Obligations, hereby grant to the Administrative Agent (for the benefit of the Secured Parties) a continuing security interest in all of such Pledgor's right, title and interest in, to and under the following (all of the following items or types of property being collectively referred to herein as the "Trademark Collateral"), whether presently existing or hereafter arising or acquired:

(i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto;

(ii) each Trademark license, including, without limitation, each Trademark license referred to in Schedule B annexed hereto, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and

(iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by any Pledgor against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

Each Pledgor agrees to deliver updated copies of Schedule A and Schedule B to the Administrative Agent within forty-five (45) days of the end of any quarter in which such Pledgor registers or otherwise adopts or acquires any Trademark not listed on Schedule A hereto or enters into any Trademark license not listed on Schedule B hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of such Pledgor, such further instruments or documents (in form and substance reasonably satisfactory to the Administrative Agent), and promptly perform, or cause to be promptly performed, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Administrative Agent, to carry out the provisions and purposes of the Credit Agreement and this Trademark Security Agreement, and to provide, perfect and preserve the liens of the Administrative Agent for the benefit of the Secured Parties under the Credit Agreement and this Trademark Security Agreement, in the Trademark Collateral or any portion thereof.

This security interest is granted in conjunction with the security interests granted to the Administrative Agent (for the benefit of itself and the Secured Parties) pursuant to the Credit Agreement. The parties hereto hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent (for the benefit of itself and the Secured Parties) with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in, and are subject to the limitations (including certain rights of quiet enjoyment in favor of licensees and other persons) set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only. At such time as Payment in Full of the Obligations (as defined in the Credit Agreement), the Administrative Agent (on behalf of itself and the Secured Parties), shall, upon receipt of a written request, promptly execute and deliver to the Pledgors, at Borrower's or the applicable Pledgor's expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be necessary or proper or advisable in the Borrower's or such Pledgor's reasonable judgment to terminate the security interest of the Administrative Agent (for the benefit of itself and the Secured Parties) in the Trademark Collateral, subject to any

disposition thereof which may have been made by the Administrative Agent pursuant to the terms hereof or of the Credit Agreement.

The Administrative Agent (on behalf of itself and the Secured Parties) agrees that there will be no assignment of the Trademark Collateral, other than the security interest described herein, unless and until there shall occur and be continuing an Event of Default (such term being used herein as defined in the Credit Agreement) and the Administrative Agent gives written notice to the applicable Pledgor of its intention to enforce its rights against any of the Trademark Collateral.

So long as no Event of Default shall have occurred and be continuing, and subject to the various provisions of the Credit Agreement and the other Fundamental Documents to which it is a party, each Pledgor may use, license and exploit the Trademark Collateral in any lawful manner.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY, THE LAWS OF THE STATE OF CALIFORNIA APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WHOLLY WITHIN THE STATE OF CALIFORNIA.

This Trademark Security Agreement, and any modifications or amendments hereto may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original for all purposes, but all such counterparts taken together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by facsimile or transmitted electronically in a Tagged Image Format File ("TIFF"), Portable Document Format ("PDF") or other electronic format sent by electronic mail shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement. This Trademark Security Agreement shall become effective when it shall have been executed by each party hereto.

All notices and other communications provided under this Trademark Security Agreement shall be delivered in such form, manner and address as provided in Section 13.01 of the Credit Agreement.

If any provision of this Trademark Security Agreement is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Trademark Security Agreement shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

No amendment, modification, rescission, waiver or release of any provision of this Trademark Security Agreement, and no consent to any departure therefrom shall in any event be effective unless signed by the Administrative Agent (whose signature shall be delivered only in accordance with the applicable provisions of the Credit Agreement) and the Pledgors. Any waiver

or consent shall be effective only in the specific instance and for the specific purpose for which it is given.

This Trademark Security Agreement shall bind and inure to the benefit of the parties hereto and their successors and permitted assigns (as determined pursuant to the Credit Agreement), but neither this Trademark Security Agreement nor any of the rights or interests hereunder shall be assigned by any Pledgor (including their respective successors and permitted assigns) without the prior written consent of the Administrative Agent (which shall be provided only in accordance with the applicable provisions of the Credit Agreement), and any attempted assignment without such consent shall be null and void.

If any conflict or inconsistency exists between this Trademark Security Agreement and the Credit Agreement, the Credit Agreement shall govern.
