## PATENT AND TRADEMARK SECURITY AGREEMENT

This Patent and Trademark Security Agreement (this “**Agreement**”) is entered into as of March 25, 2019, by RAD URBAN INC., a Delaware corporation (“**Debtor**”), in favor of EB NEUN MEMBER, LLC, a Delaware limited liability company (“**Lender**”).

### RECITALS:

A. Pursuant to that Loan Agreement, dated as of the date hereof, by and among Lender and Debtor (as it may be amended or restated, the “**Loan Agreement**”), Lender has agreed to extend credit to Debtor on certain terms and conditions.

B. A condition to Lenders’ agreement to extend credit to Debtor is that Debtor must provide Lender a security interest in all of its intellectual property pursuant to that Intellectual Property Security Agreement dated as of the date hereof among Debtor, Lender, and the other parties thereto (as it may be amended or restated, the “**IP Security Agreement**”).

C. Debtor wishes to execute this Agreement to supplement the terms of the IP Security Agreement and to place of record Debtor’s grant of a security interest to Lender in Debtor’s patents, patent applications, and trademarks registered in the United States.

### AGREEMENT:

NOW THEREFORE, as an inducement to cause Lender to extend credit to Debtor, and for other valuable consideration, the receipt and sufficiency of which are acknowledged, it is agreed as follows:

**1. UCC Security Interest in Registered Intellectual Property.** As security for the Obligations, Debtor hereby grants to Administrative Agent a security interest in the patents, patent applications, and trademark registrations described in Schedule A hereto and of record with the United States Patent and Trademark Office (the “**USPTO**”).

**2. Recordation.** Debtor hereby authorizes Administrative Agent to record this Agreement with the USPTO.

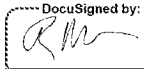

**3. Other Agreements.** This Agreement is executed to supplement and further evidence the security interest granted to Lender under the IP Security Agreement. The rights and remedies of Lender with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement, the IP Security Agreement, and the other Loan Documents, and those which are now or hereafter available to Lender as a matter of law or equity.
