SENIOR INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS SENIOR INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “**Agreement**”) is made as of March 8, 2019 by **EOS Energy Storage LLC**, a Delaware limited liability company (“**EOS Storage**”) and **EOS Services LLC**, a Delaware limited liability company (“**EOS Services**” and together with EOS Storage, the “**Grantors**” and each, a “**Grantor**”) in favor of **AltEnergy Storage Bridge, LLC**, a Delaware limited liability company, in its capacity as agent for the Senior Lenders (in such capacity, including its successors and assigns, the “**Senior Lender Agent**”).

WHEREAS, the Grantors have executed that certain Senior Security Agreement dated the date hereof in favor of Senior Lender Agent (as amended, restated, replaced, substituted, supplemented or modified from time to time, the “**Senior Security Agreement**”);

WHEREAS, capitalized terms used but not defined herein shall have the meanings assigned to such terms in the Senior Security Agreement;

WHEREAS, as a condition precedent to the Senior Lenders continuing to make available the Loans available to the Grantors, the Senior Lenders and Senior Lender Agent require that the Grantors execute and deliver a senior intellectual property security agreement to supplement (and not to limit the generality of, or replace or restrict any rights granted to Senior lender Agent under, the Senior Security Agreement) providing for a grant to the Senior Lender Agent (on behalf and for the benefit of the Senior Lenders) of a continuing first priority security interest in all of the assets of each Grantor that constitute Intellectual Property Collateral (as defined below); and

WHEREAS, the Senior Lender Agent is acting as agent for the Senior Lenders pursuant to Section 10 of each Senior Note.

NOW THEREFORE, in consideration of the Loans and other financial accommodations that have been made and may hereafter be made by the Senior Lenders for the benefit of the Grantors, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Grant of Security Interest. To secure the Obligations, each Grantor hereby grants to Senior Lender Agent (on behalf and for the benefit of the Senior Lenders), to secure the payment and performance in full of the Obligations, a continuing first priority security interest in, and pledges and assigns to the Senior Lender Agent (on behalf and for the benefit of the Senior Lenders), as collateral security, a security interest in all right, title, and interest of each Grantor in any of the following, whether now existing or hereafter acquired or created in any and all of the following property (collectively, the “**Intellectual Property Collateral**”):

(a) (i) copyrights, rights and interests in copyrights, works protectable by copyright, copyright registrations and copyright applications anywhere in the world, (ii) all restorations and renewals of any of the foregoing, (iii) all rights corresponding to any of the foregoing throughout the world, and (iv) like protections in each work of authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or

hereafter existing, created, acquired or held (collectively, the “**Copyrights**”), including without limitation the Copyrights described on **Exhibit A** attached hereto;

(b) (i) trademarks, rights and interests in trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, whether registered or unregistered, all registrations and recordings thereof, and all applications in connection therewith anywhere in the world, (ii) all renewals of any of the foregoing and (iii) all rights corresponding to any of the foregoing (including the entire goodwill of the business of each Grantor connected with and symbolized by such trademarks) throughout the world, now or hereafter existing, created, acquired or held (collectively, the “**Trademarks**”), including, without limitation, the Trademarks described on **Exhibit B** attached hereto;

(c) (i) patents, rights and interests in patents, patentable inventions and patent applications anywhere in the world, (ii) all reissues, improvements, divisions, extensions and continuations (in whole or in part) and (iii) all rights corresponding to any of the foregoing throughout the world, now or hereafter existing, created, acquired or held (collectively, the “**Patents**”), including, without limitation, the Patents described on **Exhibit C** attached hereto;

(d) mask work or similar rights available for the protection of semiconductor chips or other products (collectively, the “**Mask Works**”);

(e) trade secrets, and any and all intellectual property rights in computer software and computer software products;

(f) design rights;

(g) claims for damages by way of past, present and future infringement of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(h) licenses or other rights to use any of the Copyrights, Patents, Trademarks, or Mask Works, and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(i) amendments, renewals and extensions of any of the Copyrights, Trademarks, Patents, or Mask Works; and

(j) proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

2. Recordation. Each Grantor hereby authorizes the Commissioner for Patents, the Commissioner for Trademarks and the Register of Copyrights and any other government officials to record and register this Agreement upon request by Senior Lender Agent. Each Grantor hereby authorizes Senior Lender Agent to (a) modify this Agreement unilaterally by amending the exhibits to this Agreement to include any Intellectual Property Collateral which any Grantor obtains subsequent to the date of this Agreement and (b) file a duplicate original of this Agreement

containing amended exhibits reflecting such new Intellectual Property Collateral.

3. Notice of Additional Intellectual Property Collateral. Each Grantor shall promptly notify Senior Lender Agent if it obtains any Intellectual Property Collateral subsequent to the date of this Agreement.

4. Subject to Senior Security Agreement.

(a) The rights and remedies of Senior Lender Agent with respect to the security interests granted hereunder are in addition to those set forth in the Senior Security Agreement, and those which are now or hereafter available to Senior Lender Agent as a matter of law or equity. Each right, power and remedy of Senior Lender Agent provided for herein or in the Senior Security Agreement, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein, and the exercise by Senior Lender Agent of any one or more of such rights, powers or remedies does not preclude the simultaneous or later exercise by Senior Lender Agent of any other rights, powers or remedies.

(b) All representations, warranties, covenants, requirements, Events of Default and other agreements set forth in the Senior Security Agreement shall apply to the Intellectual Property Collateral in the same manner as if the term “Intellectual Property Collateral” were defined in the Senior Security Agreement.

5. Miscellaneous. The headings of each section of this Agreement are for convenience only and shall not define or limit the provisions thereof. This Agreement and all rights and obligations hereunder shall be binding upon each of the Grantors, individually, in accordance with its terms, as well as their respective successors and assigns, and shall inure to the benefit of the Senior Lender Agent and Senior Lender Agent’s successors and assigns. If any term of this Agreement shall be held to be invalid, illegal or unenforceable, the validity of all other terms hereof shall in no way be affected thereby, and this Agreement shall be construed and be enforceable as if such invalid, illegal or unenforceable term had not been included herein. Each Grantor, Senior Lender Agent and their respective legal counsel participated in the negotiation and drafting of this Agreement, and as such, this Agreement shall not be more strictly construed against any Grantor or Senior Lender Agent. Each Grantor acknowledges receipt of a copy of this Agreement. The Grantors may not assign this agreement, in whole or in part, without the prior written consent of Senior Lender Agent.

[Signature Page Follows]

IN WITNESS WHEREOF, the undersigned have executed this Agreement effective as of the date first written above.

GRANTORS:

EOS ENERGY STORAGE LLC

By: _____
Name: Michael Oster
Title: CEO

EOS SERVICES LLC

By: _____
Name: Michael Oster
Title: Manager

SENIOR LENDER AGENT:

ALTENERGY STORAGE BRIDGE, LLC

By: _____
Name: Russ Stidolph
Title: Managing Director
