THIS TRADEMARK ASSIGNMENT AGREEMENT ("Agreement") is made as of March 21, 2019 (the "Effective Date"), by and between Avolin, LLC, with offices at 401 Congress Avenue, Suite 2650, Austin, Texas 78701 ("Assignor"), and Computron Software, LLC, with offices at 4325 Alexander Drive, Suite 100, Alpharetta, Georgia 30022 ("Assignee").

WHEREAS, Assignor desires to assign to Assignee, and Assignee accepts, the United States trademark application set forth on Schedule A attached hereto (the "Trademark"); and

WHEREAS, Assignor desires to assign to Assignee, and Assignee accepts, the Assignor's entire right, title, and interest, in the United States of America and in all other countries, to the Trademark.

FOR GOOD AND VALUABLE CONSIDERATION, the sufficiency and receipt of which are hereby acknowledged, Assignor hereby assigns, transfers and conveys to Assignee, Assignor's entire worldwide right, title and interest in and to the Trademark, including, without limitation, any and all common law rights thereto, the goodwill of the business symbolized by, and any and all U.S. trademark registrations and/or applications covering same, including but not limited to the U.S. trademark application identified in the attached Exhibit A.

Together with Assignor's worldwide right, title and interest in and the Trademark, as well as the goodwill of the business associated therewith, Assignor further assigns to Assignee the rights to police, monitor and enforce the Trademark and any associated registrations against any and all past infringements (including, without limitation, the right to sue for and collect damages caused by any such infringement) which may have occurred at any time in the unlimited past, up to the date of this present Agreement, together with any and all further privileges in the United States and throughout the world to use, own, and/or register the Trademark.

Assignor hereby covenants and warrants that, with respect to each Trademark, it owns all right, title and interest in and to the Trademarks, their goodwill and registration(s), and it has the full right to convey all of same by this instrument, free of any encumbrances. Assignor further covenants and warrants that no other agreement has been or will be executed in conflict herewith.

Assignor agrees to perform all affirmative acts which may be necessary or desirable to perfect the above-described transfer of rights, or to secure registration before the United States Patent and Trademark Office or any foreign Trademark Office, as well as to cooperate with Assignee in obtaining and/or providing information required in any proceedings relating to the Trademark, their goodwill and registration(s).

Assignor further authorizes the Commissioner of Patents and Trademarks of the United States or any similar such official, and the appropriate official in any other country, to issue any and all trademark registrations, amended registrations and/or renewals that may be granted upon any application or petition for same, to Assignee, in Assignee's name, and/or to Assignee's successors and/or assigns.

Assignor hereby grants to the designated attorneys of Assignee, the authority and power to insert on this instrument, any further identification which may be necessary or desirable for purposes of recordation by the United States Patent and Trademark Office or the Trademark Office of any other country throughout the world.
