TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 3rd day of April, 2019, by and between Grantor listed on the signature page hereof ("Grantor"), and WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association ("Wells Fargo"), on behalf of itself, as Lender, and on behalf of its Affiliates (in such capacity, together with its successors and assigns in such capacity, "Secured Party").

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement of even date herewith (as amended, restated, supplemented, or otherwise modified from time to time, the "Credit Agreement") by and among Oskaloosa Food Products Corporation, an Iowa corporation, Keomah Industries, Inc., an Iowa corporation, and Keomah II, LLP, an Iowa limited liability partnership, as borrowers (collectively, "Borrowers"), and Wells Fargo, as lender ("Lender"), Lender has agreed to make certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof; and

WHEREAS, Lender is willing to make the financial accommodations to Borrowers as provided for in the Credit Agreement and the other Loan Documents, but only upon the condition, among others, that Borrowers shall have executed and delivered to Secured Party, for the benefit of itself, as Lender, and its Affiliates, that certain Security Agreement of even date herewith (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, Grantor is required to execute and deliver to Secured Party, for the benefit of itself, as Lender, and its Affiliates, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement. In addition to those terms defined elsewhere in this Trademark Security Agreement, as used in this Trademark Security Agreement, the following terms shall have the following meanings:

"Indebtedness" means indebtedness in its most comprehensive sense and includes any and all advances, debts, obligations and liabilities of Borrowers, or any of them, heretofore, now or hereafter made, incurred or created, whether voluntary or involuntary and however arising, whether due or not due, absolute or contingent, liquidated or unliquidated, determined or undetermined, including under any swap, derivative, foreign exchange, hedge, deposit, treasury management or other similar transaction or arrangement, and whether any Borrower may be liable individually or jointly with others, or whether recovery upon such Indebtedness may be or hereafter becomes unenforceable.

"Intellectual Property Licenses" means, with respect to any Person (the "Specified Party"), (A) any licenses or other similar rights provided to the Specified Party in or with respect to intellectual property owned or controlled by any other Person, and (B) any licenses or other similar rights provided to any other Person in or with respect to intellectual property owned or controlled by the Specified Party, in each case, including (x) any software license agreements

(other than license agreements for commercially available off-the-shelf software that is generally available to the public which have been licensed to Grantor pursuant to end-user licenses), (y) the license agreements listed on Schedule I, and (z) the right to use any of the licenses or other similar rights described in this definition in connection with the enforcement of Secured Party's or Lender's rights under the Loan Documents.

"Obligations" means all present and future Indebtedness of Borrowers, or any of them, to Lender or any Affiliate of Lender, including without limitation all obligations of Borrowers under any Commodity Repurchase Agreement, Hedge Agreement or treasury management agreement with Lender or any Affiliate of Lender; provided however that the obligations secured hereby shall not include any Indebtedness of any Borrower to Lender to the extent that the terms of the agreement(s) giving rise to such Indebtedness expressly state that such Indebtedness is not secured by this Trademark Security Agreement or the Security Agreement, or otherwise expressly disclaim the security interest created hereby or thereby as security for such Indebtedness.

"Trademark Intellectual Property License" means any Intellectual Property License with respect to any Trademark.

"Trademarks" means any and all trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, including (A) the trade names, registered trademarks, trademark applications, registered service marks and service mark applications, (B) all renewals thereof, (C) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (D) the right to sue for past, present and future infringements and dilutions thereof, (E) the goodwill of Grantor's business symbolized by the foregoing or connected therewith, and (F) all of Grantor's rights corresponding thereto throughout the world.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby unconditionally grants, assigns, and pledges to Secured Party, for the benefit of itself, as Lender, and its Affiliates, to secure the Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the "Security Interest") in all of Grantor's right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the "Trademark Collateral"):

(a) all of its Trademarks and Trademark Intellectual Property Licenses to which it is a party including those referred to on Schedule I;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(c) all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Intellectual Property License, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security

Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by any Borrower to Lender, its Affiliates or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Borrower.

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Secured Party, for the benefit of itself, as Lender, and its Affiliates, pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. If Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantor shall give prompt notice in writing to Secured Party with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Grantor's obligations under this Section, Grantor hereby authorizes Secured Party unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Secured Party's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement is a Loan Document. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Trademark Security Agreement.

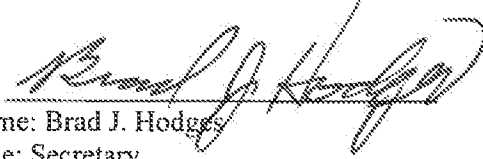

7. CHOICE OF LAW, ARBITRATION. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS SET FORTH IN 7.10 AND 7.14 OF THE CREDIT AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, *MUTATIS MUTANDIS*.
