NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used herein (including in the preamble and recitals hereto) but not otherwise defined herein have the meanings given to them in the Security Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Collateral Agent, for the benefit of the Secured Parties, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired or arising in favor of such Grantor (collectively, the "Trademark Collateral"):

(a) all of its Trademarks now or hereafter acquired or arising and registered, including, without limitation, those referred to on Schedule I hereto;

(b) all renewals of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark licensed under any License; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark.

3. SECURITY FOR OBLIGATIONS. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Collateral Agent, the Secured Parties, or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Collateral Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks or service marks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give notice in writing to Collateral Agent and the holders of the Senior Notes, upon the request of the Administrative Agent, which shall be not more than once per fiscal year, with respect to any such new trademarks for which such Grantor files an application for registration with the United States Patent and Trademark Office. Without limiting Grantors' obligations under this Section

5. Grantors hereby authorize Collateral Agent unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Collateral Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Trademark Security Agreement constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Trademark Security Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Trademark Security Agreement, any other Loan Document or any Note Document refer to this Trademark Security Agreement, such other Loan Document or such Note Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement, such other Loan Document or such Note Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark Security Agreement, in any other Loan Document or in any Note Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein to any Person shall be construed to include such Person's successors and assigns.

8. TERMINATION. This Trademark Security Agreement shall continue in effect (notwithstanding the fact that from time to time there may be no Secured Obligations outstanding) until (i) the Credit Agreement has terminated pursuant to its express terms, (ii) the Shelf Agreement has terminated pursuant to its express terms, and (iii) all of the Secured Obligations have been indefeasibly paid and performed in full in cash (or with respect to any outstanding Letters of Credit, a cash deposit has been delivered to the Collateral Agent as required by the Credit Agreement) and no commitments of the Collateral Agent or the Secured Parties which would give rise to any Secured Obligations are outstanding.

9. AMENDMENT AND RESTATEMENT. This Trademark Security Agreement is given in amendment and restatement (and not in extinguishment or novation) of the terms and provisions of the Existing Trademark Security Agreement. In respect to such amendment and restatement, the parties hereto acknowledge that (i) the terms, provisions and covenants contained in the Existing Trademark Security Agreement are hereby amended and restated, in their entirety, by the terms, provisions and covenants herein contained, (ii) the indebtedness, liens and obligations evidenced, created, governed or incurred under and pursuant to the Existing Trademark Security Agreement shall continue hereunder and shall not be extinguished, and (iii) the obligations, responsibilities and liabilities of the parties hereto

under the terms of the Existing Trademark Security Agreement shall remain in full force and effect for all periods of time prior to the effective date hereof.
