(b) Authorization to File Financing Statements; Ratification. Such Grantor hereby authorizes the Administrative Agent to file, and if requested will deliver to the Administrative Agent, all financing statements and other documents and take such other actions as may from time to time be requested by the Administrative Agent in order to maintain a first perfected security interest in and, if applicable, Control of, the Collateral owned by such Grantor. Any financing statement filed by the Administrative Agent may be filed in any filing office in any UCC jurisdiction and may (i) indicate such Grantor's Collateral (1) as all assets of the Grantor or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the UCC of such jurisdiction, or (2) by any other description which reasonably approximates the description contained in this Security Agreement, and (ii) contain any other information required by part 5 of Article 9 of the UCC for the sufficiency or filing office acceptance of any financing statement or amendment, including (A) whether such Grantor is an organization, the type of organization and any organization identification number issued to such Grantor, and (B) in the case of a financing statement filed as a fixture filing or indicating such Grantor's Collateral as as-extracted collateral or timber to be cut, a sufficient description of real property to which the Collateral relates. Such Grantor also ratifies its authorization for the Administrative Agent to have filed in any UCC jurisdiction any initial financing statements or amendments thereto if filed prior to the date hereof.

(c) Further Assurances. Such Grantor will, if so requested by the Administrative Agent, furnish to the Administrative Agent, as often as the Administrative Agent requests, statements and schedules further identifying and describing the Collateral owned by it and such other reports and information in connection with its Collateral as the Administrative Agent may reasonably request, all in such detail as the Administrative Agent may specify. Such Grantor also agrees to take any and all actions necessary to defend title to the Collateral against all persons and to defend the security interest of the Administrative Agent in its Collateral and the priority thereof against any Lien not expressly permitted hereunder.

(d) Disposition of Collateral. Such Grantor will not sell, lease or otherwise dispose of the Collateral owned by it except for dispositions specifically permitted pursuant to the Credit Agreement.

(e) Liens. Such Grantor will not create, incur, or suffer to exist any Lien on the Collateral owned by it except Permitted Liens.

(f) Other Financing Statements. Such Grantor will not authorize the filing of any financing statement naming it as debtor covering all or any portion of the Collateral owned by it, except for financing statements (i) naming the Administrative Agent on behalf of the Secured Parties as the secured party, and (ii) in respect to other Permitted Liens. Such Grantor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement without the prior written consent of the Administrative Agent, subject to such Grantor's rights under Section 9-509(d)(2) of the UCC.

(g) Locations. Such Grantor will not (i) maintain any Collateral owned by it at any location other than those locations listed on Exhibit A, (ii) otherwise change, or add to, such locations without the Administrative Agent's prior written consent as required by the Credit Agreement (and if the Administrative Agent gives such consent, such Grantor will concurrently therewith obtain a Collateral Access Agreement for each such location to the extent required by Section 4.13), or (iii) change its principal place of business or chief executive office from the location identified on Exhibit A, other than as permitted by the Credit Agreement.

(h) Compliance with Terms. Such Grantor will perform and comply with all obligations in respect of the Collateral owned by it and all agreements to which it is a party or by which it is bound relating to such Collateral.

4.2. Receivables.

(a) Certain Agreements on Receivables. Such Grantor will not make or agree to make any discount, credit, rebate or other reduction in the original amount owing on a Receivable or accept in satisfaction of a Receivable less than the original amount thereof, except that, prior to the occurrence of an Event of Default, such Grantor may reduce the amount of Accounts arising from the sale of Inventory in accordance with its present policies and in the ordinary course of business.

(b) Collection of Receivables. Except as otherwise provided in this Security Agreement, such Grantor will collect and enforce, at such Grantor's sole expense, all amounts due or hereafter due to such Grantor under the Receivables owned by it.

(c) Delivery of Invoices. Such Grantor will deliver to the Administrative Agent immediately upon its request after the occurrence and during the continuation of an Event of Default duplicate invoices with respect to each Account owned by it bearing such language of assignment as the Administrative Agent shall specify.

(d) Disclosure of Counterclaims on Receivables. If (i) any discount, credit or agreement to make a rebate or to otherwise reduce the amount owing on any Receivable owned by such Grantor exists or (ii) if, to the knowledge of such Grantor, any dispute, setoff, claim, counterclaim or defense exists or has been asserted or threatened with respect to any such Receivable, such Grantor will promptly disclose such fact to the Administrative Agent in writing. Such Grantor shall send the Administrative Agent a copy of each credit memorandum in excess of \$250,000 as soon as issued, and such Grantor shall promptly report each credit memorandum and each of the facts required to be disclosed

to the Administrative Agent in accordance with this Section 4.2(d) on the Borrowing Base Certificates submitted by it.

4.3. Inventory and Equipment.

(a) Maintenance of Goods. Such Grantor will do all things necessary to maintain, preserve, protect and keep its Inventory and the Equipment in good repair and working and saleable condition, except for damaged or defective goods arising in the ordinary course of such Grantor’s business and except for ordinary wear and tear in respect of the Equipment.

(b) Returned Inventory. If an Account Debtor returns any Inventory to such Grantor when no Event of Default exists, then such Grantor shall promptly determine the reason for such return and shall issue a credit memorandum to the Account Debtor in the appropriate amount. Such Grantor shall immediately report to the Administrative Agent any return transaction involving an amount in excess of \$250,000. Each such report shall indicate the reasons for the returns and the locations and condition of the returned Inventory. In the event any Account Debtor returns Inventory to such Grantor when an Event of Default exists, such Grantor, upon the request of the Administrative Agent, shall: (i) hold the returned Inventory in trust for the Administrative Agent; (ii) segregate all returned Inventory from all of its other property; (iii) dispose of the returned Inventory solely according to the Administrative Agent’s written instructions; and (iv) not issue any credits or allowances with respect thereto without the Administrative Agent’s prior written consent. All returned Inventory shall be subject to the Administrative Agent’s Liens thereon. Whenever any Inventory is returned, the related Account shall be deemed ineligible to the extent of the amount owing by the Account Debtor with respect to such returned Inventory and such returned Inventory shall not be Eligible Inventory.

(c) Inventory Count. Such Grantor will conduct a physical count of its Inventory at least once per fiscal year, and after and during the continuation of an Event of Default, at such other times as the Administrative Agent requests. Such Grantor, at its own expense, shall deliver to the Administrative Agent the results of each physical verification, which such Grantor has made, or has caused any other Person to make on its behalf, of all or any portion of its Inventory.

(d) Equipment. Such Grantor shall promptly inform the Administrative Agent of any additions to or deletions from its Equipment which individually or in the aggregate exceed \$1,000,000. Such Grantor shall not permit any Equipment to become a fixture with respect to real property or to become an accession with respect to other personal property with respect to which real or personal property the Administrative Agent does not have a Lien. Such Grantor will not, without the Administrative Agent’s prior written consent, alter or remove any identifying symbol or number on any of such Grantor’s Equipment constituting Collateral.

(e) Titled Vehicles. In connection with each field examination conducted pursuant to the Credit Agreement, such Grantor will give the Administrative Agent notice of its acquisition of any vehicle covered by a certificate of title and deliver to the Administrative Agent, upon request, the original of any vehicle title certificate and provide and/or file all other documents or instruments necessary to have the Lien of the Administrative Agent noted on any such certificate or with the appropriate state office.

4.4. Delivery of Instruments, Securities, Chattel Paper and Documents. Such Grantor will (a) deliver to the Administrative Agent immediately upon execution of this Security Agreement the originals

of all Chattel Paper, Securities and Instruments constituting Collateral owned by it (if any then exist), (b) hold in trust for the Administrative Agent upon receipt and immediately thereafter deliver to the Administrative Agent any such Chattel Paper, Securities and Instruments constituting Collateral, (c) upon the Administrative Agent's request, deliver to the Administrative Agent (and thereafter hold in trust for the Administrative Agent upon receipt and immediately deliver to the Administrative Agent) any Document evidencing or constituting Collateral and (d) promptly upon the Administrative Agent's request, deliver to the Administrative Agent a duly executed amendment to this Security Agreement, in a form approved by the Administrative Agent (the "Amendment"), pursuant to which such Grantor will pledge such additional Collateral. Such Grantor hereby authorizes the Administrative Agent to attach each Amendment to this Security Agreement and agrees that all additional Collateral owned by it set forth in such Amendments shall be considered to be part of the Collateral.

4.5. Uncertificated Pledged Collateral. Such Grantor will permit the Administrative Agent from time to time to cause the appropriate issuers (and, if held with a securities intermediary, such securities intermediary) of uncertificated securities or other types of Pledged Collateral owned by it not represented by certificates to mark their books and records with the numbers and face amounts of all such uncertificated securities or other types of Pledged Collateral not represented by certificates and all rollovers and replacements therefor to reflect the Lien of the Administrative Agent granted pursuant to this Security Agreement. With respect to any Pledged Collateral owned by it, such Grantor will take any actions necessary to cause (a) the issuers of uncertificated securities which are Pledged Collateral and (b) any securities intermediary which is the holder of any such Pledged Collateral, to cause the Administrative Agent to have and retain Control over such Pledged Collateral. Without limiting the foregoing, such Grantor will, with respect to any such Pledged Collateral held with a securities intermediary, cause such securities intermediary to enter into a control agreement with the Administrative Agent, in form and substance satisfactory to the Administrative Agent, giving the Administrative Agent Control.

4.6. Pledged Collateral.

(a) Changes in Capital Structure of Issuers. Such Grantor will not (i) permit or suffer any issuer of an Equity Interest constituting Pledged Collateral owned by it to dissolve, merge, liquidate, retire any of its Equity Interests or other Instruments or Securities evidencing ownership, reduce its capital, sell or encumber all or substantially all of its assets (except for Permitted Liens and sales of assets permitted pursuant to Section 4.1(d)) or merge or consolidate with any other entity, or (ii) vote any such Pledged Collateral in favor of any of the foregoing.

(b) Issuance of Additional Securities. Such Grantor will not permit or suffer the issuer of an Equity Interest constituting Pledged Collateral owned by it to issue additional Equity Interests, any right to receive the same or any right to receive earnings, except to such Grantor.

(c) Registration of Pledged Collateral. Such Grantor will permit any registerable Pledged Collateral owned by it to be registered in the name of the Administrative Agent or its nominee at any time at the option of the Required Secured Parties.

(d) Exercise of Rights in Pledged Collateral.

(i) Without in any way limiting the foregoing and subject to clause (ii) below, such Grantor shall have the right to exercise all voting rights or other rights relating to the Pledged Collateral owned by it for all purposes not inconsistent with this Security Agreement, the Credit Agreement or any other Loan Document; provided however, that no vote or other right

shall be exercised or action taken which would have the effect of impairing the rights of the Administrative Agent in respect of such Pledged Collateral.

(ii) Such Grantor will permit the Administrative Agent or its nominee at any time after the occurrence of an Event of Default, without notice, to exercise all voting rights or other rights relating to the Pledged Collateral owned by it, including, without limitation, exchange, subscription or any other rights, privileges, or options pertaining to any Equity Interest or Investment Property constituting such Pledged Collateral as if it were the absolute owner thereof.

(iii) Such Grantor shall be entitled to collect and receive for its own use all cash dividends and interest paid in respect of the Pledged Collateral owned by it to the extent not in violation of the Credit Agreement other than any of the following distributions and payments (collectively referred to as the “Excluded Payments”): (A) dividends and interest paid or payable other than in cash in respect of such Pledged Collateral, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Pledged Collateral; (B) dividends and other distributions paid or payable in cash in respect of such Pledged Collateral in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in capital of an issuer; and (C) cash paid, payable or otherwise distributed, in respect of principal of, or in redemption of, or in exchange for, such Pledged Collateral; provided however, that until actually paid, all rights to such distributions shall remain subject to the Lien created by this Security Agreement; and

(iv) All Excluded Payments and all other distributions in respect of any Pledged Collateral owned by such Grantor, whenever paid or made, shall be delivered to the Administrative Agent to hold as Pledged Collateral and shall, if received by such Grantor, be received in trust for the benefit of the Administrative Agent, be segregated from the other property or funds of such Grantor, and be forthwith delivered to the Administrative Agent as Pledged Collateral in the same form as so received (with any necessary endorsement).

(e) Interests in Limited Liability Companies and Limited Partnerships. Each Grantor agrees that no ownership interests in a limited liability company or a limited partnership which are included within the Collateral owned by such Grantor shall at any time constitute a Security under Article 8 of the UCC of the applicable jurisdiction.

4.7. Intellectual Property.

(a) After any change to Exhibit D (or the information required to be disclosed thereon), such Grantor shall provide the Administrative Agent notification thereof in the next compliance certificate required to be delivered under the Credit Agreement and the respective Confirmatory Grant as described in this Section 4.7 and any other documents that Administrative Agent reasonably requests with respect thereto.

(b) Such Grantor shall (and shall cause all its licensees to) (i) (1) continue to use each Trademark included in the Material Intellectual Property in order to maintain such Trademark in full force and effect with respect to each class of goods for which such Trademark is currently used, free from any claim of abandonment for non-use, (2) maintain at least the same standards of quality of products and services offered under such Trademark as are currently maintained, (3) use such Trademark with the appropriate notice of registration and all other notices and legends required by applicable Requirements of Law and (4) not adopt or use any other Trademark that is confusingly similar or a colorable imitation of such Trademark unless Administrative Agent shall obtain a perfected security interest in such other

Trademark pursuant to this Security Agreement and (ii) not do any act or omit to do any act whereby (w) such Trademark (or any goodwill associated therewith) may become destroyed, invalidated, impaired or harmed in any way, (x) any Patent or Industrial Design included in the Material Intellectual Property may become forfeited, misused, unenforceable, abandoned or dedicated to the public, (y) any portion of the Copyrights included in the Material Intellectual Property may become invalidated, otherwise impaired or fall into the public domain or (z) any Trade Secret that is Material Intellectual Property may become publicly available or otherwise unprotectable.

(c) Such Grantor shall notify the Administrative Agent immediately if it knows, or has reason to know, that any application or registration relating to any Patent, Industrial Design, Trademark, Copyright or other Material Intellectual Property may become forfeited, misused, unenforceable, abandoned or dedicated to the public, or of any adverse determination or development regarding the validity or enforceability or such Grantor's ownership of, interest in, right to use, register, own or maintain any Patent, Industrial Design, Trademark, Copyright or other Material Intellectual Property (including the institution of, or any such determination or development in, any proceeding relating to the foregoing in any Applicable IP Office). Such Grantor shall take all actions that are necessary or reasonably requested by the Administrative Agent to maintain and pursue each application (and to obtain the relevant registration or recordation) and to maintain each registration and recordation included in the Material Intellectual Property.

(d) Such Grantor shall not knowingly do any act or omit to do any act to infringe, misappropriate, dilute, violate or otherwise impair the Intellectual Property of any other Person. In the event that any Material Intellectual Property of such Grantor is or has been infringed, misappropriated, violated, diluted or otherwise impaired by a third party, such Grantor shall promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and shall take such other actions as the Administrative Agent shall deem appropriate under the circumstances to protect such Material Intellectual Property.

(e) Upon request, such Grantor shall execute and deliver to the Administrative Agent in form and substance reasonably acceptable to Agent and suitable for (i) filing in the Applicable IP Office the respective Confirmatory Grant in form and substance acceptable to the Administrative Agent for all Copyrights, Trademarks, Industrial Design, and Patents of such Grantor.

(f) Such Grantor shall take all actions necessary or requested by the Administrative Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of all Material Intellectual Property (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of noncontestability and opposition and interference and cancellation proceedings.

4.8 Commercial Tort Claims. Such Grantor shall promptly, and in any event within two (2) Business Days after the same is acquired by it, notify the Administrative Agent of any commercial tort claim (as defined in the UCC) acquired by it and, unless the Administrative Agent otherwise consents, such Grantor shall enter into an amendment to this Security Agreement, in a form approved by the Administrative Agent, granting to Administrative Agent a first priority security interest in such commercial tort claim.

4.9. Letter-of-Credit Rights. If such Grantor is or becomes the beneficiary of a letter of credit, it shall promptly, and in any event within two (2) Business Days after becoming a beneficiary, notify the Administrative Agent thereof and cause the issuer and/or confirmation bank to (i) consent to the assignment of any Letter-of-Credit Rights to the Administrative Agent and (ii) agree to direct all payments thereunder to a Deposit Account at the Administrative Agent or subject to a Deposit Account

Control Agreement for application to the Secured Obligations, in accordance with Section 2.18 of the Credit Agreement, all in form and substance reasonably satisfactory to the Administrative Agent.

4.10. Federal, State or Municipal Claims. Such Grantor will promptly notify the Administrative Agent of any Collateral which constitutes a claim against the United States government or any state or local government or any instrumentality or agency thereof, the assignment of which claim is restricted by federal, state or municipal law.

4.11. No Interference. Such Grantor agrees that it will not interfere with any right, power and remedy of the Administrative Agent provided for in this Security Agreement or now or hereafter existing at law or in equity or by statute or otherwise, or the exercise or beginning of the exercise by the Administrative Agent of any one or more of such rights, powers or remedies.

4.12. Insurance. (a) In the event any Collateral is located in any area that has been designated by the Federal Emergency Management Agency as a "Special Flood Hazard Area", such Grantor shall purchase and maintain flood insurance on such Collateral (including any personal property which is located on any real property leased by such Loan Party within a "Special Flood Hazard Area"). The amount of flood insurance required by this Section shall at a minimum comply with applicable law, including the Flood Disaster Protection Act of 1973, as amended, with life of loan coverage.

(b) All insurance policies required hereunder and under Section 5.10 of the Credit Agreement shall name the Administrative Agent (for the benefit of the Administrative Agent and the Lenders) as an additional insured or as lender loss payee, as applicable, and shall contain lender loss payable clauses or mortgagee clauses, through endorsements in form and substance satisfactory to the Administrative Agent, which provide that: (i) all proceeds thereunder with respect to any Collateral shall be payable to the Administrative Agent; (ii) no such insurance shall be affected by any act or neglect of the insured or owner of the property described in such policy; and (iii) such policy and lender loss payable or mortgagee clauses may be canceled, amended, or terminated only upon at least thirty (30) days prior written notice given to the Administrative Agent.

(c) All premiums on any such insurance shall be paid when due by such Grantor, and copies of the policies delivered to the Administrative Agent. If such Grantor fails to obtain any insurance as required by this Section, the Administrative Agent may obtain such insurance at the Grantor's expense. By purchasing such insurance, the Administrative Agent shall not be deemed to have waived any Default or Event of Default arising from the Grantor's failure to maintain such insurance or pay any premiums therefor.

4.13. Collateral Access Agreements. Such Grantor shall use commercially reasonable efforts to obtain a Collateral Access Agreement, from the lessor of each leased property, mortgagee of owned property or bailee or consignee with respect to any warehouse, processor or converter facility or other location where Collateral is stored or located, which agreement or letter shall provide access rights, contain a waiver or subordination of all Liens or claims that the landlord, mortgagee, bailee or consignee may assert against the Collateral at that location, and shall otherwise be reasonably satisfactory in form and substance to the Administrative Agent. With respect to such locations or warehouse space leased as of the Closing Date and thereafter, if the Administrative Agent has not received a Collateral Access Agreement as of the Closing Date (or, if later, as of the date such location is acquired or leased), the Eligible Inventory at that location shall be excluded from the Borrowing Base or subject to such Reserves as may be established by the Administrative Agent in its Permitted Discretion. After the Closing Date, no real property or warehouse space shall be leased by such Grantor and no Inventory shall be shipped to a processor or converter under arrangements established after the Closing Date, unless and until a satisfactory Collateral Access Agreement shall first have been obtained with respect to such location and

if it has not been obtained, the Eligible Inventory at that location shall be excluded from the Borrowing Base or subject to the establishment of Reserves acceptable to the Administrative Agent in its Permitted Discretion. Such Grantor shall timely and fully pay and perform its obligations under all leases and other agreements with respect to each leased location or third-party warehouse where any Collateral is or may be located.

4.14. Deposit Account Control Agreements. Such Grantor will provide to the Administrative Agent, promptly upon the Administrative Agent's request, a Deposit Account Control Agreement duly executed on behalf of each financial institution holding a deposit account of such Grantor as set forth in this Security Agreement; provided that, the Administrative Agent may, in its discretion, defer delivery of any such Deposit Account Control Agreement, establish a Reserve with respect to any deposit account for which the Administrative Agent has not received such Deposit Account Control Agreement, and require such Grantor to open and maintain a new deposit account with a financial institution subject to a Deposit Account Control Agreement.

4.15. Change of Name or Location; Change of Fiscal Year. Such Grantor shall not (a) change its name as it appears in official filings in the state of its incorporation or organization, (b) change its chief executive office, principal place of business, mailing address, corporate offices or warehouses or locations at which Collateral is held or stored, or the location of its records concerning the Collateral as set forth in this Security Agreement, (c) change the type of entity that it is, (d) change its organization identification number, if any, issued by its state of incorporation or other organization, or (e) change its state of incorporation or organization, in each case, unless the Administrative Agent shall have received at least thirty (30) days prior written notice of such change and the Administrative Agent shall have acknowledged in writing that either (1) such change will not adversely affect the validity, perfection or priority of the Administrative Agent's security interest in the Collateral, or (2) any reasonable action requested by the Administrative Agent in connection therewith has been completed or taken (including any action to continue the perfection of any Liens in favor of the Administrative Agent, on behalf of the Secured Parties, in any Collateral), provided that, any new location shall be in the continental U.S. Such Grantor shall not change its fiscal year which currently ends on December 31.

ARTICLE V EVENTS OF DEFAULT AND REMEDIES

5.1. Events of Default. The occurrence of any Event of Default under, and as defined in, the Credit Agreement, shall constitute an "Event of Default" hereunder.

5.2. Remedies.

(a) Upon the occurrence of an Event of Default, the Administrative Agent may exercise any or all of the following rights and remedies:

(i) those rights and remedies provided in this Security Agreement, the Credit Agreement, or any other Loan Document; provided that, this Section 5.2(a) shall not be understood to limit any rights or remedies available to the Administrative Agent and the other Secured Parties prior to an Event of Default;

(ii) those rights and remedies available to a secured party under the UCC (whether or not the UCC applies to the affected Collateral) or under any other applicable law

(including, without limitation, any law governing the exercise of a bank's right of setoff or bankers' lien) when a debtor is in default under a security agreement;

(iii) give notice of sole control or any other instruction under any Deposit Account Control Agreement or and other control agreement with any securities intermediary and take any action therein with respect to such Collateral;

(iv) without notice (except as specifically provided in Section 8.1 or elsewhere herein), demand or advertisement of any kind to any Grantor or any other Person, enter the premises of any Grantor where any Collateral is located (through self-help and without judicial process) to collect, receive, assemble, process, appropriate, sell, lease, assign, grant an option or options to purchase or otherwise dispose of, deliver, or realize upon, the Collateral or any part thereof in one or more parcels at public or private sale or sales (which sales may be adjourned or continued from time to time with or without notice and may take place at any Grantor's premises or elsewhere), for cash, on credit or for future delivery without assumption of any credit risk, and upon such other terms as the Administrative Agent may deem commercially reasonable; and

(v) concurrently with written notice to the applicable Grantor, transfer and register in its name or in the name of its nominee the whole or any part of the Pledged Collateral, exchange certificates or instruments representing or evidencing Pledged Collateral for certificates or instruments of smaller or larger denominations, exercise the voting and all other rights as a holder with respect thereto, to collect and receive all cash dividends, interest, principal and other distributions made thereon and to otherwise act with respect to the Pledged Collateral as though the Administrative Agent was the outright owner thereof.

(b) The Administrative Agent, on behalf of the Secured Parties, may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(c) The Administrative Agent shall have the right upon any such public sale or sales and, to the extent permitted by law, upon any such private sale or sales, to purchase for the benefit of the Administrative Agent and the other Secured Parties, the whole or any part of the Collateral so sold, free of any right of equity redemption, which equity redemption the Grantor hereby expressly releases.

(d) Until the Administrative Agent is able to effect a sale, lease, or other disposition of Collateral, the Administrative Agent shall have the right to hold or use Collateral, or any part thereof, to the extent that it deems appropriate for the purpose of preserving Collateral or its value or for any other purpose deemed appropriate by the Administrative Agent. The Administrative Agent may, if it so elects, seek the appointment of a receiver or keeper to take possession of Collateral and to enforce any of the Administrative Agent's remedies (for the benefit of the Administrative Agent and the other Secured Parties), with respect to such appointment without prior notice or hearing as to such appointment.

(e) If, after the Credit Agreement has terminated by its terms and all of the Obligations have been Paid in Full, there remain Swap Agreement Obligations outstanding, the Required Secured Parties may exercise the remedies provided in this Section 5.2 upon the occurrence of any event which would allow or require the termination or acceleration of any Swap Agreement Obligations pursuant to the terms of the Swap Agreement.

(f) Notwithstanding the foregoing, neither the Administrative Agent nor any other Secured Party shall be required to (i) make any demand upon, or pursue or exhaust any of its rights or remedies against, any Grantor, any other obligor, guarantor, pledgor or any other Person with respect to the payment of the Secured Obligations or to pursue or exhaust any of its rights or remedies with respect to any Collateral therefor or any direct or indirect guarantee thereof, (ii) marshal the Collateral or any guarantee of the Secured Obligations or to resort to the Collateral or any such guarantee in any particular order, or (iii) effect a public sale of any Collateral.

(g) Each Grantor recognizes that the Administrative Agent may be unable to effect a public sale of any or all the Pledged Collateral and may be compelled to resort to one or more private sales thereof in accordance with clause (a) above. Each Grantor also acknowledges that any private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall not be deemed to have been made in a commercially unreasonable manner solely by virtue of such sale being private. The Administrative Agent shall be under no obligation to delay a sale of any of the Pledged Collateral for the period of time necessary to permit any Grantor or the issuer of the Pledged Collateral to register such securities for public sale under the Securities Act of 1933, as amended, or under applicable state securities laws, even if the applicable Grantor and the issuer would agree to do so.

5.3. Grantor's Obligations Upon Default. Upon the request of the Administrative Agent after the occurrence of a Default, each Grantor will:

(a) assemble and make available to the Administrative Agent the Collateral and all books and records relating thereto at any place or places specified by the Administrative Agent, whether at such Grantor's premises or elsewhere;

(b) permit the Administrative Agent, by the Administrative Agent's representatives and agents, to enter, occupy and use any premises where all or any part of the Collateral, or the books and records relating thereto, or both, are located, to take possession of all or any part of the Collateral or the books and records relating thereto, or both, to remove all or any part of the Collateral or the books and records relating thereto, or both, and to conduct sales of the Collateral, without any obligation to pay the Grantor for such use and occupancy;

(c) prepare and file, or cause an issuer of Pledged Collateral to prepare and file, with the Securities and Exchange Commission or any other applicable government agency, registration statements, a prospectus and such other documentation in connection with the Pledged Collateral as the Administrative Agent may request, all in form and substance satisfactory to the Administrative Agent, and furnish to the Administrative Agent, or cause an issuer of Pledged Collateral to furnish to the Administrative Agent, any information regarding the Pledged Collateral in such detail as the Administrative Agent may specify;

(d) take, or cause an issuer of Pledged Collateral to take, any and all actions necessary to register or qualify the Pledged Collateral to enable the Administrative Agent to consummate a public sale or other disposition of the Pledged Collateral; and

(e) at its own expense, cause the independent certified public accountants then engaged by each Grantor to prepare and deliver to the Administrative Agent and each Lender, at any time, and from time to time, promptly upon the Administrative Agent's request, the following reports with respect to the applicable Grantor: (i) a reconciliation of all Accounts; (ii) an aging of all Accounts; (iii) trial balances; and (iv) a test verification of such Accounts.

5.4. Grant of Intellectual Property License. For the purpose of enabling the Administrative Agent to exercise the rights and remedies under this Article V at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies (including in order to take possession of, collect, receive, assemble, process, appropriate, remove, realize upon, sell, assign, convey, transfer or grant options to purchase any Collateral), each Grantor hereby (a) grants to the Administrative Agent, for the benefit of the Administrative Agent and the other Secured Parties, an irrevocable, nonexclusive worldwide license (exercisable without payment of royalty or other compensation to any Grantor), including in such license the right to use, license, sublicense or practice any Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all Software and programs used for the compilation or printout thereof and (b) irrevocably agrees that the Administrative Agent may sell any of such Grantor's Inventory directly to any person, including without limitation persons who have previously purchased the Grantor's Inventory from such Grantor and in connection with any such sale or other enforcement of the Administrative Agent's rights under this Security Agreement, may sell Inventory which bears any Trademark owned by or licensed to such Grantor and any Inventory that is covered by any Copyright owned by or licensed to such Grantor and the Administrative Agent may (but shall have no obligation to) finish any work in process and affix any Trademark owned by or licensed to such Grantor and sell such Inventory as provided herein.

ARTICLE VI ACCOUNT VERIFICATION; ATTORNEY IN FACT; PROXY

6.1. Account Verification. The Administrative Agent may at any time, in the Administrative Agent's own name, in the name of a nominee of the Administrative Agent, or in the name of any Grantor communicate (by mail, telephone, facsimile or otherwise) with the Account Debtors of any such Grantor, parties to contracts with any such Grantor and obligors in respect of Instruments of any such Grantor to verify with such Persons, to the Administrative Agent's satisfaction, the existence, amount, terms of, and any other matter relating to, Accounts, Instruments, Chattel Paper, payment intangibles and/or other Receivables.

6.2. Authorization for Administrative Agent to Take Certain Action.

(a) Each Grantor irrevocably authorizes the Administrative Agent at any time and from time to time in the sole discretion of the Administrative Agent and appoints the Administrative Agent as its attorney in fact (i) to execute on behalf of such Grantor as debtor and to file financing statements necessary or desirable in the Administrative Agent's sole discretion to perfect and to maintain the perfection and priority of the Administrative Agent's security interest in the Collateral, (ii) in the case of any Intellectual Property owned by or licensed to such Grantor, execute, deliver and have recorded any document that the Administrative Agent may request to evidence, effect, publicize or record the Administrative Agent's security interest in such Intellectual Property and the goodwill and General Intangibles of such Grantor relating thereto or represented thereby, (iii) to endorse and collect any cash proceeds of the Collateral, (iv) to file a carbon, photographic or other reproduction of this Security Agreement or any financing statement with respect to the Collateral as a financing statement and to file any other financing statement or amendment of a financing statement (which does not add new collateral or add a debtor) in such offices as the Administrative Agent in its sole discretion deems necessary or desirable to perfect and to maintain the perfection and priority of the Administrative Agent's security interest in the Collateral, (v) to contact and enter into one or more agreements with the issuers of uncertificated securities which are Pledged Collateral or with securities intermediaries holding Pledged Collateral as may be necessary or advisable to give the Administrative Agent Control over such Pledged Collateral, (vi) to apply the proceeds of any Collateral received by the Administrative Agent to the Secured Obligations as provided in Section 7.3, (vii) to discharge past due taxes, assessments, charges,

fees or Liens on the Collateral (except for such Liens that are Permitted Liens), (viii) to contact Account Debtors for any reason, (ix) to demand payment or enforce payment of the Receivables in the name of the Administrative Agent or such Grantor and to endorse any and all checks, drafts, and other instruments for the payment of money relating to the Receivables, (x) to sign such Grantor's name on any invoice or bill of lading relating to the Receivables, drafts against any Account Debtor of the Grantor, assignments and verifications of Receivables, (xi) to exercise all of such Grantor's rights and remedies with respect to the collection of the Receivables and any other Collateral, (xii) to settle, adjust, compromise, extend or renew the Receivables, (xiii) to settle, adjust or compromise any legal proceedings brought to collect Receivables, (xiv) to prepare, file and sign such Grantor's name on a proof of claim in bankruptcy or similar document against any Account Debtor of such Grantor, (xv) to prepare, file and sign such Grantor's name on any notice of Lien, assignment or satisfaction of Lien or similar document in connection with the Receivables, (xvi) to change the address for delivery of mail addressed to such Grantor to such address as the Administrative Agent may designate and to receive, open and dispose of all mail addressed to such Grantor, and (xvii) to do all other acts and things necessary to carry out this Security Agreement; and such Grantor agrees to reimburse the Administrative Agent on demand for any payment made or any expense incurred by the Administrative Agent in connection with any of the foregoing; provided that, this authorization shall not relieve such Grantor of any of its obligations under this Security Agreement or under the Credit Agreement.

(b) All acts of said attorney or designee are hereby ratified and approved. The powers conferred on the Administrative Agent, for the benefit of the Administrative Agent and the other Secured Parties, under this Section 6.2 are solely to protect the Administrative Agent's interests in the Collateral and shall not impose any duty upon the Administrative Agent or any other Secured Party to exercise any such powers. The Administrative Agent agrees that, except for the powers granted in Section 6.2(a)(i)-(vii) and Section 6.2(a)(xvii), it shall not exercise any power or authority granted to it pursuant to Section 6.2(a) unless an Event of Default has occurred and is continuing.

6.3. Proxy. EACH GRANTOR HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS THE ADMINISTRATIVE AGENT AS ITS PROXY AND ATTORNEY-IN-FACT (AS SET FORTH IN SECTION 6.2 ABOVE) WITH RESPECT TO ITS PLEDGED COLLATERAL, INCLUDING THE RIGHT TO VOTE ANY OF THE PLEDGED COLLATERAL, WITH FULL POWER OF SUBSTITUTION TO DO SO. IN ADDITION TO THE RIGHT TO VOTE ANY OF THE PLEDGED COLLATERAL, THE APPOINTMENT OF THE ADMINISTRATIVE AGENT AS PROXY AND ATTORNEY-IN-FACT SHALL INCLUDE THE RIGHT TO EXERCISE ALL OTHER RIGHTS, POWERS, PRIVILEGES AND REMEDIES TO WHICH A HOLDER OF ANY OF THE PLEDGED COLLATERAL WOULD BE ENTITLED (INCLUDING GIVING OR WITHHOLDING WRITTEN CONSENTS OF SHAREHOLDERS, CALLING SPECIAL MEETINGS OF SHAREHOLDERS AND VOTING AT SUCH MEETINGS). SUCH PROXY SHALL BE EFFECTIVE, AUTOMATICALLY AND WITHOUT THE NECESSITY OF ANY ACTION (INCLUDING ANY TRANSFER OF ANY OF THE PLEDGED COLLATERAL ON THE RECORD BOOKS OF THE ISSUER THEREOF) BY ANY PERSON (INCLUDING THE ISSUER OF THE PLEDGED COLLATERAL OR ANY OFFICER OR AGENT THEREOF), UPON THE OCCURRENCE OF AN EVENT OF DEFAULT.

6.4. Nature of Appointment; Limitation of Duty. THE APPOINTMENT OF THE ADMINISTRATIVE AGENT AS PROXY AND ATTORNEY-IN-FACT IN THIS ARTICLE VI IS COUPLED WITH AN INTEREST AND SHALL BE IRREVOCABLE UNTIL THE DATE ON WHICH THIS SECURITY AGREEMENT IS TERMINATED IN ACCORDANCE WITH SECTION 8.14. NOTWITHSTANDING ANYTHING CONTAINED HEREIN, NONE OF THE ADMINISTRATIVE AGENT, ANY LENDER, ANY OTHER SECURED PARTY, ANY OF THEIR AFFILIATES, OR ANY OF THEIR OR THEIR AFFILIATES' RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, AGENTS OR REPRESENTATIVES SHALL HAVE ANY DUTY TO EXERCISE ANY RIGHT OR

POWER GRANTED HEREUNDER OR OTHERWISE OR TO PRESERVE THE SAME AND SHALL NOT BE LIABLE FOR ANY FAILURE TO DO SO OR FOR ANY DELAY IN DOING SO, EXCEPT IN RESPECT OF DAMAGES ATTRIBUTABLE SOLELY TO ITS OWN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT AS FINALLY DETERMINED BY A COURT OF COMPETENT JURISDICTION; PROVIDED THAT, IN NO EVENT SHALL THEY BE LIABLE FOR ANY PUNITIVE, EXEMPLARY, INDIRECT OR CONSEQUENTIAL DAMAGES.

ARTICLE VII

COLLECTION AND APPLICATION OF COLLATERAL PROCEEDS; DEPOSIT ACCOUNTS

7.1. Collection of Receivables.

(a) If requested by the Administrative Agent, each Grantor shall (a) execute and deliver to the Administrative Agent Deposit Account Control Agreements for each Deposit Account maintained by such Grantor into which all cash, checks or other similar payments relating to or constituting payments made in respect of Receivables will be deposited, including any such Deposit Account maintained at the Administrative Agent (each, a “Collateral Deposit Account”), which Collateral Deposit Accounts are identified as such on Exhibit B, and (b) establish lock box service (the “Lock Boxes”) with the bank(s) set forth in Exhibit B, which Lock Boxes shall be subject to irrevocable lockbox agreements in the form provided by or otherwise acceptable to the Administrative Agent and shall be accompanied by an acknowledgment by the bank where the Lock Box is located of the Lien of the Administrative Agent granted hereunder and of irrevocable instructions to wire all amounts collected therein to the Collection Account (each, a “Lock Box Agreement”). After the Closing Date, each Grantor will comply with the terms of Section 7.2. Except those Deposit Accounts set forth on Exhibit B which are maintained at the Administrative Agent or which qualify as Excluded Deposit Accounts, the Deposit Accounts and Lock Boxes set forth on Exhibit B shall be closed within 90 days after the Closing Date.

(b) Each Grantor shall direct all of its Account Debtors to forward payments directly to the Collection Account. At no time shall any Grantor remove any item from a Lock Box or a Collateral Deposit Account other than to deposit such item in or transfer such item to the Collection Account, without the Administrative Agent’s prior written consent. If any Grantor should refuse or neglect to notify any Account Debtor to forward payments directly to the Collection Account after notice from the Administrative Agent, the Administrative Agent shall, notwithstanding the language set forth in Section 6.2(b), be entitled to make such notification directly to such Account Debtor. If notwithstanding the foregoing instructions, any Grantor receives any proceeds of any Receivables, such Grantor shall receive such payments as the Administrative Agent’s trustee, and shall immediately deposit all cash, checks or other similar payments related to or constituting payments made in respect of Receivables received by it to the Collection Account. All funds deposited into any Lock Box subject to a Lock Box Agreement or a Collateral Deposit Account will be swept on a daily basis into a collection account maintained by such Grantor with the Administrative Agent (the “Collection Account”). The Administrative Agent shall hold and apply funds received into the Collection Account as provided by the terms of Section 7.3.

7.2. Covenant Regarding New Deposit Accounts; Lock Boxes. Before opening or replacing any Collateral Deposit Account or other Deposit Account, or establishing a new Lock Box, each Grantor shall (a) obtain the Administrative Agent’s consent in writing to the opening of such Collateral Deposit Account or other Deposit Account or establishing of such Lock Box, and (b) cause each bank or financial institution in which it seeks to open (i) a Collateral Deposit Account or other Deposit Account, to enter into a Deposit Account Control Agreement with the Administrative Agent in order to give the Administrative Agent Control of such Collateral Deposit Account or other Deposit Account and provide

for a daily sweep into the Collection Account, or (ii) a Lock Box, to enter into a Lock Box Agreement with the Administrative Agent in order to give the Administrative Agent Control of the Lock Box and provide for a daily sweep into the Collection Account. In the case of Deposit Accounts or Lock Boxes maintained with Lenders, the terms of such letter shall be subject to the provisions of the Credit Agreement regarding setoffs.

7.3. Application of Proceeds; Deficiency. All amounts deposited in the Collection Account shall be deemed received by the Administrative Agent in accordance with Section 2.18 of the Credit Agreement and shall, after having been credited to the Collection Account, be applied (and allocated) by Administrative Agent in accordance with Section 2.10(c) of the Credit Agreement; provided that, so long as no Cash Dominion Period is continuing, collections which are received into the Collection Account shall be deposited into the Funding Account rather than being used to reduce amounts owing under the Credit Agreement. The Administrative Agent shall require all other cash proceeds of the Collateral, which are not required to be applied to the Obligations pursuant to Section 2.11 of the Credit Agreement, to be deposited in a special non-interest bearing cash collateral account with the Administrative Agent and held there as security for the Secured Obligations. No Grantor shall have any control whatsoever over said cash collateral account. Any such proceeds of the Collateral shall be applied in the order set forth in Section 2.18 of the Credit Agreement unless a court of competent jurisdiction shall otherwise direct. The balance, if any, after all of the Secured Obligations have been satisfied, shall be deposited by the Administrative Agent into such Grantor's general operating account with the Administrative Agent. The Grantors shall remain liable, jointly and severally, for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all Secured Obligations, including any attorneys' fees and other expenses incurred by Administrative Agent or any other Secured Party to collect such deficiency.

ARTICLE VIII GENERAL PROVISIONS

8.1. Waivers. Each Grantor hereby waives notice of the time and place of any public sale or the time after which any private sale or other disposition of all or any part of the Collateral may be made. To the extent such notice may not be waived under applicable law, any notice made shall be deemed reasonable if sent to the Grantors, addressed as set forth in Article IX, at least ten days prior to (i) the date of any such public sale or (ii) the time after which any such private sale or other disposition may be made. To the maximum extent permitted by applicable law, each Grantor waives all claims, damages, and demands against the Administrative Agent or any other Secured Party arising out of the repossession, retention or sale of the Collateral, except such as arise solely out of the gross negligence or willful misconduct of the Administrative Agent or such other Secured Party as finally determined by a court of competent jurisdiction. To the extent it may lawfully do so, each Grantor absolutely and irrevocably waives and relinquishes the benefit and advantage of, and covenants not to assert against the Administrative Agent or any other Secured Party, any valuation, stay, appraisal, extension, moratorium, redemption or similar laws and any and all rights or defenses it may have as a surety now or hereafter existing which, but for this provision, might be applicable to the sale of any Collateral made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Security Agreement, or otherwise. Except as otherwise specifically provided herein, each Grantor hereby waives presentment, demand, protest or any notice (to the maximum extent permitted by applicable law) of any kind in connection with this Security Agreement or any Collateral.

8.2. Limitation on Administrative Agent's and Other Secured Parties' Duty with Respect to the Collateral. The Administrative Agent shall have no obligation to clean-up or otherwise prepare the Collateral for sale. The Administrative Agent and each other Secured Party shall use reasonable care with respect to the Collateral in its possession or under its control. Neither the Administrative Agent nor any

other Secured Party shall have any other duty as to any Collateral in its possession or control or in the possession or control of any agent or nominee of the Administrative Agent or such other Secured Party, or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto. To the extent that applicable law imposes duties on the Administrative Agent to exercise remedies in a commercially reasonable manner, each Grantor acknowledges and agrees that it is commercially reasonable for the Administrative Agent (i) to fail to incur expenses deemed significant by the Administrative Agent to prepare Collateral for disposition or otherwise to transform raw material or work in process into finished goods or other finished products for disposition, (ii) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (iii) to fail to exercise collection remedies against Account Debtors or other Persons obligated on Collateral or to remove Liens on or any adverse claims against Collateral, (iv) to exercise collection remedies against Account Debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (v) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (vi) to contact other Persons, whether or not in the same business as such Grantor, for expressions of interest in acquiring all or any portion of the Collateral, (vii) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature, (viii) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets, (ix) to dispose of assets in wholesale rather than retail markets, (x) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (xi) to purchase insurance or credit enhancements to insure the Administrative Agent against risks of loss, collection or disposition of Collateral or to provide to the Administrative Agent a guaranteed return from the collection or disposition of Collateral, or (xii) to the extent deemed appropriate by the Administrative Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Administrative Agent in the collection or disposition of any of the Collateral. Each Grantor acknowledges that the purpose of this Section 8.2 is to provide non-exhaustive indications of what actions or omissions by the Administrative Agent would be commercially reasonable in the Administrative Agent's exercise of remedies against the Collateral and that other actions or omissions by the Administrative Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 8.2. Without limitation upon the foregoing, nothing contained in this Section 8.2 shall be construed to grant any rights to any Grantor or to impose any duties on the Administrative Agent that would not have been granted or imposed by this Security Agreement or by applicable law in the absence of this Section 8.2.

8.3. Compromises and Collection of Collateral. The Grantors and the Administrative Agent recognize that setoffs, counterclaims, defenses and other claims may be asserted by obligors with respect to certain of the Receivables, that certain of the Receivables may be or become uncollectible in whole or in part and that the expense and probability of success in litigating a disputed Receivable may exceed the amount that reasonably may be expected to be recovered with respect to a Receivable. In view of the foregoing, each Grantor agrees that the Administrative Agent may at any time and from time to time, if an Event of Default has occurred and is continuing, compromise with the obligor on any Receivable, accept in full payment of any Receivable such amount as the Administrative Agent in its sole discretion shall determine or abandon any Receivable, and any such action by the Administrative Agent shall be commercially reasonable so long as the Administrative Agent acts in good faith based on information known to it at the time it takes any such action.

8.4. Secured Party Performance of Debtor Obligations. Without having any obligation to do so, the Administrative Agent may perform or pay any obligation which any Grantor has agreed to perform or pay in this Security Agreement and the Grantors shall reimburse the Administrative Agent for any amounts paid by the Administrative Agent pursuant to this Section 8.4. The Grantors' obligation to

reimburse the Administrative Agent pursuant to the preceding sentence shall be a Secured Obligation payable on demand.

8.5. Specific Performance of Certain Covenants. Each Grantor acknowledges and agrees that a breach of any of the covenants contained in Sections 4.1(d), 4.1(e), 4.4, 4.5, 4.6, 4.7, 4.8, 4.9, 4.10, 4.12, 4.13, 4.14, 4.15, 5.3, or 8.7 or in Article VII will cause irreparable injury to the Administrative Agent and the other Secured Parties, that the Administrative Agent and the other Secured Parties have no adequate remedy at law in respect of such breaches and therefore agrees, without limiting the right of the Administrative Agent or the other Secured Parties to seek and obtain specific performance of other obligations of the Grantors contained in this Security Agreement, that the covenants of the Grantors contained in the Sections referred to in this Section 8.5 shall be specifically enforceable against the Grantors.

8.6. Dispositions Not Authorized. No Grantor is authorized to sell or otherwise dispose of the Collateral except as set forth in Section 4.1(d) and notwithstanding any course of dealing between any Grantor and the Administrative Agent or other conduct of the Administrative Agent, no authorization to sell or otherwise dispose of the Collateral (except as set forth in Section 4.1(d)) shall be binding upon the Administrative Agent or the other Secured Parties unless such authorization is in writing signed by the Administrative Agent with the consent or at the direction of the Required Secured Parties.

8.7. No Waiver; Amendments; Cumulative Remedies. No delay or omission of the Administrative Agent or any other Secured Party to exercise any right or remedy granted under this Security Agreement shall impair such right or remedy or be construed to be a waiver of any Default or Event of Default or an acquiescence therein, and any single or partial exercise of any such right or remedy shall not preclude any other or further exercise thereof or the exercise of any other right or remedy. No waiver, amendment or other variation of the terms, conditions or provisions of this Security Agreement whatsoever shall be valid unless in writing signed by the Administrative Agent with the concurrence or at the direction of the Lenders required under Section 9.02 of the Credit Agreement and then only to the extent in such writing specifically set forth. All rights and remedies contained in this Security Agreement or by law afforded shall be cumulative and all shall be available to the Administrative Agent and the other Secured Parties until the Secured Obligations have been Paid in Full.

8.8. Limitation by Law; Severability of Provisions. All rights, remedies and powers provided in this Security Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Security Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they shall not render this Security Agreement invalid, unenforceable or not entitled to be recorded or registered, in whole or in part. Any provision in this Security Agreement that is held to be inoperative, unenforceable, or invalid in any jurisdiction shall, as to that jurisdiction, be inoperative, unenforceable, or invalid without affecting the remaining provisions in that jurisdiction or the operation, enforceability, or validity of that provision in any other jurisdiction, and to this end the provisions of this Security Agreement are declared to be severable.

8.9. Reinstatement. This Security Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of any Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Obligations, or any part thereof (including a payment effected through exercise of a right of setoff), is, pursuant to applicable law, rescinded or reduced in amount, or

must otherwise be restored or returned by any obligee of the Secured Obligations, whether as a “voidable preference,” “fraudulent conveyance,” or otherwise (including pursuant to any settlement entered into by a Secured Party in its discretion), all as though such payment or performance had not been made. In the event that any payment, or any part thereof (including a payment effected through exercise of a right of setoff), is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

8.10. Benefit of Agreement. The terms and provisions of this Security Agreement shall be binding upon and inure to the benefit of the Grantors, the Administrative Agent and the other Secured Parties and their respective successors and assigns (including all persons who become bound as a debtor to this Security Agreement), except that no Grantor shall have the right to assign its rights or delegate its obligations under this Security Agreement or any interest herein, without the prior written consent of the Administrative Agent. No sales of participations, assignments, transfers, or other dispositions of any agreement governing the Secured Obligations or any portion thereof or interest therein shall in any manner impair the Lien granted to the Administrative Agent, for the benefit of the Administrative Agent and the other Secured Parties, hereunder.

8.11. Survival of Representations. All representations and warranties of the Grantors contained in this Security Agreement shall survive the execution and delivery of this Security Agreement.

8.12. Taxes and Expenses. Any taxes (including income taxes) payable or ruled payable by Federal or State authority in respect of this Security Agreement shall be paid by the Grantors, together with interest and penalties, if any. The Grantors shall reimburse the Administrative Agent for any and all out-of-pocket expenses and internal charges (including reasonable attorneys’, auditors’ and accountants’ fees and reasonable time charges of attorneys, paralegals, auditors and accountants who may be employees of the Administrative Agent) paid or incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, collection and enforcement of this Security Agreement and in the audit, analysis, administration, collection, preservation or sale of the Collateral (including the expenses and charges associated with any periodic or special audit of the Collateral). Any and all costs and expenses incurred by the Grantors in the performance of actions required pursuant to the terms hereof shall be borne solely by the Grantors.

8.13. Headings. The title of and section headings in this Security Agreement are for convenience of reference only, and shall not govern the interpretation of any of the terms and provisions of this Security Agreement.

8.14. Termination. This Security Agreement shall continue in effect (notwithstanding the fact that from time to time there may be no Secured Obligations outstanding) until the Secured Obligations are Paid in Full.

8.15. Entire Agreement. This Security Agreement embodies the entire agreement and understanding between the Grantors and the Administrative Agent relating to the Collateral and supersedes all prior agreements and understandings between the Grantors and the Administrative Agent relating to the Collateral.

8.16. **CHOICE OF LAW. THIS SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF OHIO, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS.**

8.17. **CONSENT TO JURISDICTION.** EACH GRANTOR HEREBY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY U.S. FEDERAL OR OHIO STATE COURT SITTING IN OHIO IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS SECURITY AGREEMENT OR ANY OTHER LOAN DOCUMENT AND EACH GRANTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH COURT AND IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION IT MAY NOW OR HEREAFTER HAVE AS TO THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN SUCH A COURT OR THAT SUCH COURT IS AN INCONVENIENT FORUM. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY LENDER TO BRING PROCEEDINGS AGAINST ANY GRANTOR IN THE COURTS OF ANY OTHER JURISDICTION.

8.18. **WAIVER OF JURY TRIAL.** EACH GRANTOR, THE ADMINISTRATIVE AGENT AND EACH LENDER HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS SECURITY AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).

8.19. **Indemnity.** Each Grantor hereby agrees to indemnify the Administrative Agent and the other Secured Parties, and their respective successors, assigns, agents and employees, from and against any and all liabilities, damages, penalties, suits, fees, costs, and expenses of any kind and nature (including, without limitation, all expenses of litigation or preparation therefor whether or not the Administrative Agent or any other Secured Party is a party thereto) imposed on, incurred by or asserted against the Administrative Agent or the other Secured Parties, or their respective successors, assigns, agents and employees, in any way relating to or arising out of this Security Agreement, or the manufacture, purchase, acceptance, rejection, ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of any Collateral (including, without limitation, latent and other defects, whether or not discoverable by the Administrative Agent or the other Secured Parties or any Grantor, and any claim for Patent, Industrial Design, Trademark or Copyright infringement).

8.20. **Counterparts.** This Security Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute this Security Agreement by signing any such counterpart.
