ASSIGNMENT OF TRADEMARKS – UNITED STATES

THIS ASSIGNMENT OF TRADEMARKS – UNITED STATES (this “**Assignment**”) dated and effective as of October 1, 2018 (“**Effective Date**”), is entered into by and between Thomson Reuters Global Resources Unlimited Company (“**Seller**”) and Thomson Reuters (GRC) Inc. (“**Buyer**”). Seller and Buyer are collectively referred to herein as the “Parties.”

WHEREAS, pursuant to that certain Transaction Agreement, dated as of January 30, 2018 (the “**Agreement**”) the Transferors agreed to assign, transfer and convey to Buyer, among other things, all right, title, and interest in and to those registered trademarks and trademark registration applications set forth on Schedule A attached hereto (the “**Marks**”).

WHEREAS, in accordance with and subject to the terms of the Agreement, Seller has agreed to execute this Assignment.

NOW, THEREFORE, the Parties hereto, intending to be legally bound hereby, agree as follows:

Section 1. Definitions. All capitalized terms not otherwise defined in this Assignment, as used in this Assignment, shall have the respective meanings ascribed to such terms in the Agreement.

Section 2. Assignment. Seller hereby assigns, transfers and conveys to Buyer, and Buyer hereby accepts, all of Seller’s right, title, and interest in, to, and under the Marks, together with any goodwill owned by Seller associated with and symbolized by the Marks and all common-law rights related thereto and all registrations that are or may be secured, now or hereafter in effect, for Buyer’s own use and enjoyment, and for the use and enjoyment of Buyer’s successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Seller if this assignment had not been made; together with all past, current or future Claims, judgments, rights of recovery, rights of setoff or reimbursement and defenses of any nature available to or being pursued by Seller against third parties (and the right to receive all monies, proceeds, settlements and recoveries in connection therewith) to the extent related to the Marks and the above-referenced goodwill and common-law rights.

Section 3. Recording the Assignment. The Parties hereby authorize the relevant authority at the United States Patent and Trademark Office to record this Assignment and record Buyer as the owner of the Marks and to issue any and all Mark registrations to Buyer, as assignee of Seller’s entire right, title and interest in, to, and under the same.

Section 4. Agreement Governs. Nothing contained herein shall in any way amend, modify, supersede or cancel the terms, covenants, representations, warranties or conditions of the Agreement.

Section 5. Counterparts. This Assignment may be executed in one or more counterparts,

all of which shall be considered one and the same agreement, and shall become effective when each party hereto shall have received counterparts hereof signed by each of the other parties hereto. If any signature is delivered by PDF, such signature shall create a valid and binding obligation of the party executing (or on whose behalf the signature is executed) with the same force and effect as if such PDF signature were an original hereof.

Section 6. Governing Law. This Assignment and its enforcement, and any controversy arising out of or relating to the making or performance of this Assignment shall be governed by and construed in accordance with the law of the State of New York, without regard to New York's principles of conflicts of law. Any disputes arising out of this instrument shall be subject to the provisions of Sections 11.10(A), 11.11 and 11.12 of the Agreement, mutatis mutandis.

Section 7. Further Assurances. Seller shall provide Buyer and its successors and assigns reasonable cooperation and assistance at Buyer's request and expense (including the execution and delivery of any and all country specific forms of assignment, affidavits, declarations, oaths, exhibits, powers of attorney or other documentation) as are reasonably requested by Buyer to effect, record, register or maintain this Assignment and/or the rights assigned herein.
