TRADEMARK ASSIGNMENT

This Trademark Assignment is entered into as of **April 1, 2019** by and between **BioProcess Technology Consultants, Inc.**, a Massachusetts corporation (the "Assignor") and **BDO USA, LLP**, a Delaware limited liability partnership (the "Assignee") with reference to the following facts.

WHEREAS, Assignor has agreed to assign all of its right, title, goodwill and interest in and to the trademarks described in Exhibit A attached hereto (the "Marks") in connection with that certain Asset Purchase Agreement dated January 17, 2019 by and among the Assignor, Assignee and other parties named therein.

NOW, THEREFORE, in consideration of the premises herein set forth and for additional good and valuable consideration, receipt of which is hereby acknowledged, Assignor hereby irrevocably sells, assigns, transfers, conveys and delivers to the Assignee, its successors and permitted assigns, all right, title and interest, in and to the Marks, and all of the goodwill of the business associated with the Marks, together with that portion of Assignor's business to which the Marks pertain, and all registrations and pending applications for the Marks, any renewals of the registrations, in all countries throughout the world, for the Assignee's own use and enjoyment, and for the use and enjoyment of the Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Trademark Assignment had not been made together with all causes of action for any and all previously occurring infringement of the rights being assigned and the right to receive and retain the proceeds relating to those infringements

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Assignment to be executed as of the date first set forth above.
