TRADEMARK ASSIGNMENT

This Trademark Assignment (“Assignment”) is made by and between AstenJohnson, Inc., a Delaware corporation (“Assignor”) and Paperchine, Inc., a Delaware corporation (“Assignee”).

WHEREAS, pursuant to that certain Stock Purchase Agreement, dated May 31, 2017, by and between AstenJohnson Holdings, Ltd., a Delaware corporation and Andritz (USA) Inc., a Georgia corporation (“Purchase Agreement”), AstenJohnson Holdings Ltd. and its affiliates have agreed to assign their entire right, title, and interest in the intellectual property held by them which is relevant to the business of Paperchine, Inc., a Delaware corporation and its subsidiaries, to Paperchine, Inc. or such subsidiaries, as applicable;

WHEREAS, Assignor, itself and through its predecessors in interest, has adopted and used the marks set out on the attached Schedule A, and is the owner of the trademark registrations for the marks as set out on the attached Schedule A (collectively, “Registrations”);

WHEREAS, Assignor desires to transfer the common law rights held by it in the unregistered common law trademarks set out on the attached Schedule B (collectively, “Common Law Trademarks”);

WHEREAS, by virtue of and subject to the Purchase Agreement, Assignee is interested in obtaining and Assignor wishes to assign, grant and deliver exclusively to Assignee all rights, titles and interests of every kind and nature in and to the Common Law Trademarks and Registrations, together with the goodwill of the business symbolized thereby;

NOW THEREFORE, in consideration of the promises and mutual covenants and agreements contained herein, and for fair value and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns all rights, titles and interests in and to the Common Law Trademarks and the Registrations owned by Assignor, together with the goodwill of the business which is symbolized thereby and with the right to recover for damages and

profits and all other remedies for past infringements thereof. Assignor further agrees to execute and deliver to Assignee all other and further documents reasonably required by Assignee to effectuate or record this Assignment. Should there be any conflict between any provision of this Assignment and any present or future law (statutory or common law), contrary to which the parties have no legal or enforceable right to contract, the latter shall prevail, but in such event the provision of this Assignment effected shall be curtailed and limited only to the extent necessary to bring it within legal and enforceable requirements and the other provisions of this Assignment shall not be affected but shall remain in full force and effect. Assignor hereby agrees to allow Assignee to record this assignment with the relevant authorities as required under local law.

The Registrations and Common Law Trademarks are transferred hereby pursuant and subject to the representations, warranties, covenants, and other terms and conditions set forth in the Purchase Agreement.

This Assignment is executed and delivered effective as of June 30, 2017.
