## SHORT FORM INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the “IP Security Agreement”) dated April 9, 2019, is made by the Person listed on the signature pages hereof (the “Grantor”) in favor of TPG Specialty Lending, Inc., as Collateral Agent (the “Collateral Agent”) for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Loan Documents and the Pledge and Security Agreement.

WHEREAS, Reference is made to that certain Credit Agreement dated as of the date hereof (as amended, restated, amended and restated, extended, supplemented and/or otherwise modified from time to time, the “Credit Agreement”), among, Stevenson Merger Sub, Inc., a Delaware corporation, (the “Initial Borrower”), Kyriba Corp. (effective upon the consummation of, and after giving effect to, the Closing Date Acquisition (as defined therein)), a Delaware corporation (the “New Borrower”), Stevenson Midco, Inc., a Delaware corporation (“Holdings”), TPG Specialty Lending, Inc., as Administrative Agent and Collateral Agent, and each Lender from time to time party thereto, and, pursuant to the Credit Agreement, each Lender has agreed to make Loans upon the terms and subject to the conditions set forth in the Credit Agreement to which such Lender is a party.

WHEREAS, in connection with the Credit Agreement, the Grantor has entered into the Pledge and Security Agreement dated as of the Closing Date (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Pledge and Security Agreement”) in order to induce the Lenders to make Loans.

WHEREAS, under the terms of the Pledge and Security Agreement, the Grantor has granted to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, the Intellectual Property of the Grantor, and has agreed as a condition thereof to execute this IP Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

a. Grant of Security. The Grantor hereby grants to the Collateral Agent for the ratable benefit of the Secured Parties a security interest in all of the Grantor’s right, title and interest in and to the following (the “Collateral”):

(a) the registered Trademarks (as defined in the Pledge and Security Agreement) and Trademarks for which applications are pending in the United States Patent and Trademark Office set forth in Schedule A hereto (excluding any Excluded Collateral).

b. Security for Obligations. The grant of a security interest in the Collateral by the Grantor under this IP Security Agreement secures the payment of all Obligations of the Grantor now or hereafter existing, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this IP Security Agreement secures, as to the Grantor, the payment of all amounts that constitute part of the Obligations and that would be owed by the Grantor to any Secured Party but for the fact that such

Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving an Obligor.

c. Recordation. This IP Security Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The Grantor authorizes and requests that the Commissioner for Trademarks record this IP Security Agreement.

d. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

e. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Pledge and Security Agreement. The Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement and the terms of the Pledge and Security Agreement, the terms of the Pledge and Security Agreement shall govern.

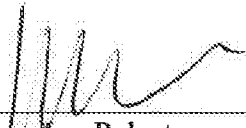

f. GOVERNING LAW. THIS IP SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

g. Severability. In case any one or more of the provisions contained in this IP Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Pledge and Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

[Signature Pages Follow]

IN WITNESS WHEREOF, the Grantor has caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
