TRADEMARK SHORT FORM SECURITY AGREEMENT dated as of December 21, 2018, (this “**Agreement**”), among DIXIE ELECTRIC, LLC, a Delaware limited liability company (the “**Grantor**”) and WILMINGTON TRUST, NATIONAL ASSOCIATION, as collateral agent (in such capacity, the “**Collateral Agent**”).

Reference is made to (a) the Pledge and Security Agreement dated as of December 21, 2018 (the “**Pledge and Security Agreement**”), among EXPANSE ENERGY SOLUTIONS INTERMEDIATE, INC., a Delaware corporation (“**Parent**”), EXPANSE ENERGY SOLUTIONS ACQUISITION, INC., a Delaware corporation (the “**Borrower**”), the subsidiaries of the Borrower from time to time party thereto and the Collateral Agent and (b) the Credit Agreement dated as of December 21, 2018 (as amended, supplemented or otherwise modified, refinanced and/or restated from time to time, the “**Credit Agreement**”), among the Borrower, Parent, the other Guarantors from time to time party thereto, WILMINGTON TRUST, NATIONAL ASSOCIATION, as Administrative Agent and Collateral Agent, and each lender from time to time party thereto (collectively, the “**Lenders**” and individually, a “**Lender**”). The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantor is an affiliate of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Pledge and Security Agreement. The rules of construction specified in Section 1.01(b) of the Pledge and Security Agreement also apply to this Agreement.

Section 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, including the Guaranty, the Grantor, pursuant to the Pledge and Security Agreement, hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

all of the following now owned or hereafter acquired by the Grantor arising under the laws of the United States;

(a) all trademarks, service marks, trade names, domain names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general indicators of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and

Trademark Office or any similar offices in any State of the United States, and all extensions or renewals thereof, including those listed on Schedule I (the “**Trademarks**”), and

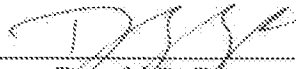

(b) all goodwill associated with or symbolized by the Trademarks;

provided that, notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in any Excluded Assets.

Section 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Pledge and Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Pledge and Security Agreement, the terms of the Pledge and Security Agreement shall govern.
