This Intellectual Property Assignment is effective as of the 11th day of June, 2018.

WHEREAS, JAMES H. BARBOUR, III, an individual residing in the State of New Jersey (hereinafter referred to as "Assignor"), is the owner of the trademarks listed on Schedule A ("Marks");

WHEREAS, Assignor is the owner of the domain names listed on Schedule C ("Domain Names");

NOW, THEREFORE, for One Dollar (\$1.00) and other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, absolutely and forever, all of Assignor's right, title and interest, whether statutory or at common law, in and to the Marks, together with the goodwill of the business symbolized by the Marks throughout the world and any and all applications and/or registrations therefor, together with any and all causes of action for previously occurring infringements of the rights being assigned, and the right to receive and retain the proceeds relating to those infringements.

2. Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, absolutely and forever, all of Assignor's right, title and interest, whether statutory or at common law, in and to the Copyrights throughout the world, together with any and all moral rights associated with the Copyrights, and any and all causes of action for previously occurring infringements of the rights being assigned, and the right to receive and retain the proceeds relating to those infringements. In any jurisdictions in which moral rights cannot be assigned, Assignor hereby waives any and all claims Assignor might have to such moral rights with respect to the Copyrights for all uses of the Copyrights, and to the extent such waiver is unenforceable, Assignor hereby covenants and agrees not to bring any claim, suit or other legal proceeding against Assignee, its successors, assigns or licensees, claiming that Assignor's moral rights have been violated.

3. Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, absolutely and forever, all of Assignor's right, title and interest, whether statutory or at common law, in and to the Domain Names and the registrations thereof, together with the goodwill of the business connected with and symbolized by such Domain Names, and any trademark, service mark, or intellectual property rights relating thereto, to the extent any such trademark, service mark, or intellectual property rights exist. Assignor shall cooperate with Assignee and follow Assignee's reasonable instructions in order to effectuate the transfer of the Domain Names registrations in a timely manner. Specifically, within five (5) business days of the effective date of this Assignment, Assignor agrees to prepare and transmit any necessary documentation and/or electronic instructions to the registrar(s) of the Domain Names and/or to correspond with the registrar(s) to authorize the transfer of the Domain Names to Assignee.
