ASSIGNMENT

This Assignment (this "*Assignment*") is effective as of March 22, 2019 (the "*Effective Date*"), and is made by and between BOK Financial Corporation, an Oklahoma corporation (the "*Assignor*"), and BOKF, NA, a national bank (the "*Assignee*").

WHEREAS, Assignor is the owner of the trademarks, service marks, tradenames, logos, designs and registrations thereof set forth on Schedule A attached hereto (collectively, the "*Marks*"), and the goodwill associated therewith;

WHEREAS, in connection with certain banking and private wealth mergers, Assignee is undergoing rebranding efforts and consolidating several brands under a house mark;

WHEREAS, as the parent holding company of Assignee, Assignor desires to assist Assignee in its rebranding efforts and consolidation under the house mark.

NOW, THEREFORE, for \$10.00 and other good and valuable consideration as set forth in the Purchase Agreement, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby assigns, sells and sets over unto Assignee all of Assignor's right, title and interest in and to the Marks, together with any common law rights and all of the goodwill of the business symbolized therewith, including all rights therein provided by international conventions and treaties, as well as the right (but not the obligation) to assert the Marks and to collect for all past, present and future infringements, and claims for damages and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits and all rights corresponding thereto throughout the world by reason of any past and future acts of infringement that have occurred or may occur, as fully and effectually as they would have been held by Assignor had this Assignment not been made.

2. Further Assurances. Assignor shall, at no cost to Assignee, but at Assignee's expense, take all actions and execute all documents necessary or desirable to record and perfect the interest of Assignee in and to the Marks, and shall not enter into any agreement in conflict with this Assignment.

3. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of Oklahoma (regardless of the laws that might otherwise govern under applicable Oklahoma conflict of law principles).

IN WITNESS WHEREFORE, the Assignor hereto has caused this Agreement to be executed as of the Effective Date individually or by their respective officers thereunto duly authorized.
